Little Haven inland walk

Distance: 1.6 miles (2.6 km)

Grid ref: SM856122

Character: Fields and livestock, quiet
countryside lane, some road walking.

3 stiles, 1 kissing gate.

Leave the car park by the pedestrian exit past the public toilets. Turn right on to road, walk past bistro and shop, bear left, then immediately right into Wesley Road. At end of road, cross stone stile and continue straight ahead along field edge, keeping hedge on left. Aim for stile in the top right corner of the last field. Cross stile and stream, continue straight ahead, aiming for waymark post at top of slope, and turn left at the top. Keeping brambles on left, aim for second telephone post from left at far end of field, staying roughly on the same level. When visible, aim for kissing gate, pass through, and turn right on to lane. When lane turns right, carry on straight ahead to 'Woodlands', staying on tarmac lane until reaching a footpath sign at Woodvale Bungalow. Turn right, follow path and just before metal field gate turn right over stile and follow meandering path down the hill. After crossing bridge and gate, turn right and at crossing turn right back into village.

Little Haven, Strawberry Hill

Distance: 1.0 miles (1.6 km)

Grid ref: SM852126

Character: Coast path, steep in places, some road walking.

Steps, but no stiles or kissing gates.

Leave car park and turn left on to road. After leaving village and 30 miles/hour zone, look for gate set back in hedge on right. Follow worn path to brow of hill and turn right on to Coast Path. Turn left at the waymark post and follow the Coast Path back to Little Haven. At two points the path seems to fork - on both occasions take left path closest to the sea. Go down steps, continue straight on and, after green house, turn right. Turn right at post office, back to car park.
