

Little Milford

Short Walks

Little Milford

Short Walks

Public transport: Service bus Freystrop 308/309, 359 (Sundays), (780 m on road and path).

Little Milford Wood

Distance: 0.7 miles (1.1 km)

Grid ref: SM965116

Character: Woodland, some minor road walking.

2 stiles.

Leave the car park at the top, though the gap next to gate with 'Little Milford' sign. Follow wide path and at crossing of paths, turn left. Stay on path, ignoring paths to the side. After large bend at fork, take right hand path up slope. Go through gap next to gate and turn left down the hill. After short while, turn left on footpath (look for stile with yellow arrow), and follow this path as it meanders through the wood down to the lane. Cross the stile and turn left, following the lane back to the car park.

Little Milford North

Distance: 0.6 miles (1.0 km)

Grid ref: SM966122

Character: Foreshore and woodland, muddy in places.

2 stiles, steps, muddy in places.

Turn right out of car park on to lane, turn left through gap in fence, following footpath sign, cross footbridge and follow path through wood. Cross stile on right and turn left. At bottom of steps turn left. Take left-hand path at the fork, go straight through gate, up, then down the slope. When path reaches stream at bottom, turn right and right again, following footpath sign. There are a few narrow paths visible - follow the higher, clearer path.

At the bottom, cross stile and follow path around the corner and, after rounding corner, take the narrow path up the slope on the right. Turn left at signpost, then return to steps and stile ahead on right. Cross stile and turn left, retracing steps to footbridge and gap in fence, turning right on to the lane back to the car park.
