Dear Mr Martyn,

**PCNPA Replacement Local Development Plan (LDP)**

Thank you for your email of 2<sup>nd</sup> April 2019.

I note your concerns about the currency of the baseline information contained in the above LDP in respect of St Davids, and your wish to participate in the oral sessions of the forthcoming Examination.

As I am sure you are aware, participation in the Hearing Sessions is limited to those individuals who have duly made representations to the Deposit Draft Replacement LDP and / or Focussed Changes. I have reviewed your representations and, in my view, they do not relate directly to the amendments proposed by FC4 or FC12 of the Focussed Changes. As such, I must advise you that I do not consider that you are entitled to appear at the Hearing Sessions.

However, the matters you identify in your email in relation to baseline housing data, the scale and location of new development will be discussed, in general terms, in Sessions 1 and 6 of the Hearings. Whilst you may not participate in these discussions, you are welcome to observe the proceedings.

I trust this clarifies the matter. However, should you require any further assistance please then please contact me via the Programme Officer, Caroline Llewellyn, whose details can be found at the top of this letter.

Yours Sincerely

*Nicola Gulley*

INSPECTOR
