Pembrokeshire Coast National Park Local Development Plan 2015 – 2031

The Pembrokeshire Coast National Park Authority has submitted proposals for the above Local Development Plan (LDP) to the Welsh Government for examination. If, and when, these plan proposals are adopted, they will form the development plan for the National Park and will be the basis for decisions on land use planning affecting that area.

The Pembrokeshire Coast National Park Authority has proposed changes to the Deposit Local Development Plan known as **Focussed Changes**. These are subject to public consultation until **4.30 pm on Friday, 15 February, 2019**. A representation form is also available.

Copies of the LDP documents are available for inspection free of charge on publicly accessible computers at the following locations:

- Pembrokeshire Coast National Park Authority Headquarters, Llanion Park, Pembroke Dock, Pembrokeshire, SA72 6DY. Opening hours: Monday to Thursday 9am to 5pm and Friday 9am to 4.30pm.
- Oriol y Parc Gallery and Visitor Centre, St Davids, Pembrokeshire, SA62 6NW. Opening hours: every day 9.30am to 4pm.
- Libraries during their normal opening hours.

They are also available on the Authority's website at www.pembrokeshirecoast.wales/haveyoursay

The documents comprise the deposit LDP, a Sustainability Appraisal Report (incorporating an Environmental Report), the Habitats Regulations Assessment, the Equalities Impact Assessment, the Delivery Agreement, a Review Report, a Consultation Report, copies of representations and other supporting documents, and the Focussed Changes document.

An independent Inspector will conduct the examination to determine whether the plan is sound. Only those making representations seeking to change the Deposit Local Development Plan whose representations were 'duly made' (i.e. in accordance with earlier notices), have the right to appear before and be heard by the Inspector at the Examination (Section 64(6) of the 2004 Act.), along with representors on the Focussed Changes who wish to appear at the Examination.

Notice will be given at least 6 weeks before the opening of the examination. The format of the hearing will be a matter for the Inspector.
