Teri Gedrys	Clinton, Connecticut, US	2018-05-06	Build somewhere else.
mick lightwood	saundersfoot, Wales; Cymru, UK	2018-05-07	Building large scale housing developments without the infrastructure to cope does not make good planning
Terry Cemm	Walsall, UK	2018-05-07	As an elderly resident on the Bevelin Hall estate I am very concerned that we actually need any of these new houses and how will the doctors, schools and roads be able to manage. At a recent meeting it was announced that over 170 people are waiting for social housing which i agree we need to address but where the people are coming from was not allowed to be discussed ? if it is a genuine local problem then why not say or are we ticking boxes for politicians and local government officials to add another big unwanted housing estate to there CV
Emma Pattenden	Cambridge, England, UK	2018-05-07	PCNPA plans comprise 291 new houses for a small village community currently numbering around 1,200 households. This seems completely disproportionate. Where are (up to) 600 new adults supposed to find employment in Saundersfoot? Our local infrastructure and economy would be totally overwhelmed. We should be preserving the beautiful green countryside and wildlife habitats around Saundersfoot which are so important to residents and families living here.

Ben Pattenden	Cali, Colombia	2018-05-07	We need to protect wildlife and green areas for future generations and preserve the tourist appeal of the village. Our limited economic activity depends on tourism and we can't expand in a way which jeopardizes that. We need to preserve the natural environment of the village.
Karyn Howells	Saundersfoot, Wales; Cymru, UK	2018-05-07	I don't want to see Saundersfoot village ruined
Ian Howells	Saundersfoot, Wales; Cymru, UK	2018-05-07	Village is too big already and the infrastructure cannot support the increase

Name	Location	Date	Comment
Kelly Asparassa	Saundersfoot, Wales; Cymru, UK	2018-05-07	School not big enough & saundersfoot is beautiful the way it is.....
Emma Bettles	Barrowden, England, UK	2018-05-07	Large development should be saved for towns. We should preserve our beautiful villages.
alice greasley	tenby, Wales; Cymru, UK	2018-05-07	Saundersfoot facilities are stretched enough already, school, parking, doctors... money needs to be put into upgrading these as well before it takes on more houses & families
Sheila Holt	Tenby, Wales; Cymru, UK	2018-05-08	Sheila Holt
dave Thomas	Saundersfoot, Wales; Cymru, UK	2018-05-08	already we have lots of empty Holiday homes in Saundersfoot. We dont need more
Nina Thomas	Saundersfoot, Wales; Cymru, UK	2018-05-08	There are too many empty second homes in Saundersfoot. It is also the largest village in Pembrokeshire it doesn't need to get any bigger.
Tricia Crew	Winterbourne, England, UK	2018-05-08	Leave Saundersfoot as the beautiful village it is! Let's look after the environment too.
Andi Luxton	Saundersfoot, Wales; Cymru, UK	2018-05-08	Most of my reasons have already been covered but in my opinion the 'village' has grown WAY TOO MUCH as it is and the infrastructure cannot cope already with the number of existing permanent residents let alone the yearly influx from tourism. The village status is dubious as it is! IMPROVEMENT TO THE INFRASTRUCTURE ....YES BUT NO MORE DEVELOPING!!!!!!
Melanie James	Cambridge, UK	2018-05-09	The large scale development of housing I'm this area is simply unnecessary. Yet more new homes are not needed, and if they were, then they should be built in an area that can properly service the increased population, with access to amenities. Saundersfoot simply cannot do this. The development will inevitably bring increased traffic flow which will clearly be detrimental to this beautiful environment. As a local person that was born and raised in Pembrokeshire, it's very disappointing to see such an unnecessary erosion of our costal areas.
Alan Jones	Wolverhampton, UK	2018-05-09	We need to protect our village
Richard comlay	Birmingham, England, UK	2018-05-09	We need to protect our small villages and towns
John McDonald	Wolverhampton, UK	2018-05-09	A lot of these houses will be holiday homes ! There are enough of those in Whitlow at the moment.
Michael Tooth	Bristol, England, UK	2018-05-09	Building on nature to meet a target set by a quango. No description of local need, just a plan to build to a preordained number of houses 'somewhere'.

Name	Location	Date	Comment
Philip Barker	saundersfoot, Wales; Cymru, UK	2018-05-09	The planners just want to hit a house build target. Is there really a need for 291 extra houses in Saundersfoot? i don't think so.
Mark Gray	Bristol, England, UK	2018-05-09	The village just can't handle this many properties.
Sarah Insell	Cosheston, Wales; Cymru, UK	2018-05-09	The Saundersfoot infrastructure can not cope with such high population increase that this will result in. It would also lose its unique seaside village charm & destroy green field sites & Forest. It is unnecessary to situate this housing so close to Saundersfoot - there are other areas nearby where it wouldn't have such an impact on the village school, transport, doctors & scenery.
Sian Werner	Cardiff, Wales; Cymru, UK	2018-05-09	I agree our little village wouldn't cope with the increase of population, traffic.
clair white	Saundersfoot, Wales; Cymru, UK	2018-05-09	I already live in a part of Saundersfoot where every other house is a second home and empty for most of the year.... do we really need another estate that becomes the same.
Ian Davies	Barry, Wales; Cymru, UK	2018-05-09	This is a terribly thought out idea. The strain on infrastructure would be overwhelming. No thank you.
Sarah Doughty	Wales, Wales; Cymru, UK	2018-05-09	Im single because I live here love how it is
Llewellyn Rose	Saundersfoot, Wales; Cymru, UK	2018-05-09	We don't have the amenities, our doctors surgery is under pressure and our school already at maximum, and where will these people work? They won't it'll be more holiday homes for those who can afford them, just like the rest of "first time buyers/ affordable " housing in the county
Teresa Griffiths	Stepaside, Wales; Cymru, UK	2018-05-09	Saundersfoot doesn't have the infrastructure to support these plans in any way at all.
Tracy pritchard	Tenby, Wales; Cymru, UK	2018-05-09	Will spoil the surroundings ,
Beverley Prince	Saundersfoot, Wales; Cymru, UK	2018-05-09	The local school, surgery and the village itself cannot cope with the influx of people this new development would cause. Services are already stretched to the maximum
Vincent May	Cambridge, UK	2018-05-09	A residential development, even if it is initially limited to 54 houses, will compromise the village and the qualities that make it a popular destination. As a regular visitor to the area, I can only see this as having a negative effect on the area.
Maggie Davies Davies	Saundersfoot, Wales; Cymru, UK	2018-05-10	More people means ,, a strain on the already overcrowded school and surgery , also crime ,this is a beautiful village ,we don't want anymore ,

Name	Location	Date	Comment
Viv Carter	UK	2018-05-10	Services and infrastructure will struggle to cope with ever increasing properties.
Emma Pattenden	Cambridge, England, UK	2018-05-10	Public Meeting Tuesday 15 May 2018 at 7pm at Regency Hall Saundersfoot to discuss PCNPA plans. Please come along.
Anthea Finn	Pembroke Dock, Wales; Cymru, UK	2018-05-10	I love Saundersfoot as it is ! Don't ruin it !
Shirley Harvey	Lichfield, England, UK	2018-05-10	Don't ruin Saundersfoot with more houses. Keep it green as it is beautiful as it is.
joanne harvey	Tamworth, England, UK	2018-05-10	Saundersfoot is a beautiful place, please don't ruin it with more ugly housing estates.
Carl Harvey	Birmingham, England, UK	2018-05-10	Don't spoil Saundersfoot! Leave it as it is.....a stunning location which people can enjoy. No more housing estates.....PLEASE!!
Len Harvey	Tamworth, England, UK	2018-05-10	Lovely place. Please, no more building sites!
Shirley Harvey	Lichfield, England, UK	2018-05-10	By Mavis Davies &quot;Please dont build more houses. I love Saundersfoot and don't want it ruined by more housing estates.
Vicki Williams	Stourbridge, England, UK	2018-05-10	Saundersfoot is a haven of tranquility and adored by so many visitors because it remains unspoilt. Don't ruin it for the many people who return year after year for its peace, tranquility and natural beauty by turning it into a commercial nightmare desired only by the few whose greed has clouded their judgement to the natural unspoilt beautiful holiday destination it truly is.
Beth MacDonald	Delta, Canada	2018-05-10	Please preserve the beauty of Saundersfoot! Happy memories there.
Nicola Mallen	Saundersfoot, Wales; Cymru, UK	2018-05-11	By damaging ancient woodland, wildlife habitats and trying to turn Saundersfoot into something it is not will destroy the very reason that thousands flock to our small, rural seaside village. Saundersfoot recently made the prestigious Sunday Times 'Best Places to Live' in the UK list. It would be extremely debatable that we could retain that accolade if any of these developments go ahead and Saundersfoot's village status was lost.
Nicola Mallen	Saundersfoot, Wales; Cymru, UK	2018-05-11	Spot on! Eloquently put and I'm in total agreement.
C Hill	Redditch, England, UK	2018-05-11	Because I have family who live there and we visit often and it's a beautiful village that should stay that way

Nancy Stafford	Saundersfoot, Wales; Cymru, UK	2018-05-11	See letter in the comments
Wendy Jones	Caerphilly, Wales; Cymru, UK	2018-05-11	Why mess with something that is perfect #Lots of family memories here, currently making new ones with my little family.
Melissa Brown	Sageston tenby, Wales; Cymru, UK	2018-05-11	Melissa brown
Mary Jones	Duffryn, Wales; Cymru, UK	2018-05-11	The infrastructure won't cope neither will Dr's surgeries and schools. Plenty if other spaces in West Wales
Toni Evans	Capel Llanilltern, Wales; Cymru, UK	2018-05-11	Why ruin a beautiful coastal village purely for greed. There are many other places that housing could be developed with much better infrastructure. The roads in and out of Saundersfoot would not cope with such development. The kiss of wildlife and habitat would be disasterous.
johnny briggs	Tenby, Wales; Cymru, UK	2018-05-11	saundersfoot is a beautiful little village , and should never be developed and spoiled ,, and the houses that are proposed wont be filled by locals , it be more holiday homes for people from the cities , or people from outside the area , slowly tenby , new hedges , saundersfoot and kilgetty will all be joined together ,, all the character of these beautiful places will vanish !!
june hayes	Port Talbot, Wales; Cymru, UK	2018-05-11	Its to beautiful a place to be spoilt with housing
Helen Lloyd	Manorbier, Wales; Cymru, UK	2018-05-11	There is no need for thus amount of housing. Saundersfoot is already over developed. This will put dire strain on its infrastructure, schools, medical, roads, sewerage, etc...
Katherine Smith	Kinver, England, UK	2018-05-11	I'm signing because I have happy childhood memories of holidays in Saundersfoot and think it would be such a shame to spoil its village feel.
Sasha Clarkson	Saundersfoot, Wales; Cymru, UK	2018-05-11	There is far too much development, promoted by a small number of landowners, without proper planning for physical and social infrastructure.
Julian Mcdermott	Bondi, Australia	2018-05-11	Saundersfoot's unique value is its village feel. This should be protected at all costs.
Nicola Mallen	Saundersfoot, Wales; Cymru, UK	2018-05-11	Useful information, if anyone is interested: <a href="http://www.cprw.org.uk/">http://www.cprw.org.uk/</a>

Pamela Roberts	Saundersfootl, Wales; Cymru, UK	2018-05-11	The people who live in Saundersfoot need to have their legitimate concerns addressed. More many holiday homes will not improve the community/quality of living in the village
Jamds Ackrill	UK	2018-05-11	I understand how detrimental these developments will be on the localcommunity and tourism which is the life blood of the community.
Ashley Evans	Pembrokeshire, Wales; Cymru, UK	2018-05-12	I live on whitlow and it will 100% spoil the wonderful area
Jane Ackrill	solihull, UK	2018-05-12	Please don't spoil the beautiful village of Saundersfoit
Jane Ackrill	solihull, UK	2018-05-12	Please don't spoil the beautiful village of Saundersfoot
susan chin	Shirley, England, UK	2018-05-12	Sue chin
Rod Robinson	Ingleton, England, UK	2018-05-12	not enough work about it would only create second homes for the better off ,or holiday lets ,i lived in saundersfoot for a while and can see its not needed
Anna Hemmings	U.K., England, UK	2018-05-12	There are so few idyllic places left these days it seems. Once built it is too late. And no doubt the planned housing will not be affordable for local people
lucy Davies	Saundersfoot, Wales; Cymru, UK	2018-05-12	The village needs to stay a village, we don't want to be over populated, we wouldn't cope. Our childrens future is what matters and filling our green space with more housing we can't accommodate isn't going to get the way forward. How about cap the holiday homes, 2nd homes, 3rd homes that people have whom aren't even from the area, give locals a chance and we wouldn't need more housing...
Anne Marr	Newport, Wales; Cymru, UK	2018-05-13	I am signing this as I don't want to turn the village into a town !
Carol Da rosa	Newport, Wales; Cymru, UK	2018-05-13	Large developments ruin country areas.....when will planners listen and stop lining their pockets??
Rachel Gelsthorpe	Retford, England, UK	2018-05-13	Don't ruin my favourite place to be! Don't fix what isn't broken. This place is amazing and I adore it. Putting so many new buildings in would ruin character and charm.
Betty Tucker	Brighton, UK	2018-05-13	Hideous idea for such a beautiful village (which is already gridlocked in Summer). Do the locals welcome this - I think not.
Anne Dent	New Hedges, Wales; Cymru, UK	2018-05-13	I live in new hedges and have had lots of issues directly linked to the new build

Name	Location	Date	Comment
Jane Percival	Auckland, New Zealand	2018-05-13	Spent a lot of my childhood in the vicinity. Now in NZ and have seen over development but no infra structure to support this. Tragic!
Linda Walters	Kidderminster, England, UK	2018-05-13	Saundersfoot does not need to provide this number of houses to meet the needs of the local residents. Therefore the building is purely speculative and will not enhance the area, but may divert funds to developers.
Joy Jones	Kilgetty, Wales; Cymru, UK	2018-05-14	Far too much for an area like this facilities and amenities insufficient.
Lloyd Wilson	Hundleton, Wales; Cymru, UK	2018-05-14	The village needs to stay as a village.
Glenys Gray	Cadishead, England, UK	2018-05-15	I care about our coasts.
chris smith	Nant-y-moel, Wales; Cymru, UK	2018-05-15	Don't ruin a beautiful area
Sarah Pemberton	Crowthorne, England, UK	2018-05-15	Saundersfoot mustn't become over developed
mark bagshaw	telford, England, UK	2018-05-15	I like Val and value her opinion
Heather Callnon	Saundersfoot, Wales; Cymru, UK	2018-05-16	The village does not have the infrastructure to cope with such a large development!
Angela Drake_Fyler	Pontypridd, Wales; Cymru, UK	2018-05-16	I don't agree with this development.
Jean McCallum	Leighton, England, UK	2018-05-16	Happy holiday memories from ..... 48 years ago!!
Gareth Davies	Fishguard, Wales; Cymru, UK	2018-05-17	Gareth davies
Myfanwy Connor	Milford Haven, Wales; Cymru, UK	2018-05-17	With the imminent closure of our GENERAL HOSPITAL A&E You are SERIOUSLY thinking of building more houses and bringing more people into the area??? Our medical services are stretched as it is
Ceri Williams	Caerphilly, Wales; Cymru, UK	2018-05-17	I agree with all the comments posted already. Lets not forget police resourcing too. This will undoubtedly have an impact. Saundersfoot is a seaside resort which increases its population through the spring summer months already.

Name	Location	Date	Comment
Mary Cheadle	Birmingham, England, UK	2018-05-17	A development of this size will destroy the character of Saundersfoot village which attracts needed visitors to support local economy. Services are already stretched and there are few employment opportunities in the area.
sally fitzgerald	Narberth, Wales; Cymru, UK	2018-05-18	Saundersfoot needs to have careful and considered decisions made. There are already empty houses which have been bought for holiday homes. Affordable housing is always desperately needed. not for somebody's idea of profit.
David Hunt	Saundersfoot, Wales; Cymru, UK	2018-05-18	This current LDP plan proposal for Saundersfoot is unwarranted as it does not meet the National Park Policy of protecting small villages, communities, green spaces, environmental impact on current habitats , wildlife , which the current infrastructure of the village is unable to support. Such a development in this beautiful village would amount to environmental vandalism. It is the focus of the National Park to protect such communities and the LDP plan should be revised completely to reflect the need to protect this beautiful village and its community.
kathryn bentley	Worcester, England, UK	2018-05-18	sounds like overdevelopment to a wonderful area, and when it's gone, it's gone. a disaster if it doesnt have adequate infrastructure too, sounds a plan too far to make sustainable sense in the long term
Amanda Noel	Maidstone, England, UK	2018-05-18	It's happening everywhere
Sandra Butler	Pentlepoir, Wales; Cymru, UK	2018-05-19	Please don't ruin this beautiful village setting with over development, it's a lovely village and locals and visitors alike love it for what it is PLEASE DONT ruin this gem within the national park!
Wendy morgan	Sarn, Wales; Cymru, UK	2018-05-19	I love saundersfoot just the way it is, just beautiful
Angie Milic	Cardiff, Wales; Cymru, UK	2018-05-19	I live in castle view and I believe schools, doctors are already over stretched and also it would spoil the beauty of Saundersfoot
Linda Griffiths	Swansea, UK	2018-05-23	The field at Sandy Hill has a lot of wildlife including foxes and badgers, what will become of them?? How will the medical centre and schools cope ??? How many of these new properties will become second homes???
Kyle Price	Merthyr Tydfil, Wales; Cymru, UK	2018-05-23	Wouldn't be the same if this went ahead
ANN LOVE	Pembrokeshire, Wales; Cymru, UK	2018-05-24	Too much for a small village. We need social housing for locals.

Name	Location	Date	Comment
Lynn Hamilton	Haverfordwest, Wales; Cymru, UK	2018-05-30	I used to live in Saundersfoot and am supporting my friends and neighbours.
Joe Hawkins	Blackwell, Oklahoma, US	2018-05-30	As a regular visitor to Saundersfoot I was very disappointed to hear about these plans which I think will ruin the appeal of this small coastal village
Karen Cowdrey	Barry, Wales; Cymru, UK	2018-05-31	Saundersfoot is a beautiful place that I visit even on holiday. It would be awful to build soooo many properties in a place that is not equipped for such destruction
Michelle Stafford	Winchester, England, UK	2018-05-31	We regularly travel for hours to holiday in saundersfoot because of its lovely quaint village. Aside from beach obviously, One of the most beautiful parts of the village in our opinion is the drive in through all the trees past St. Issells church. It sounds like this development could ruin both these aspects of saundersfoot that we love- losing the small village feel and ruining natural beauty. As well as spoiling saundersfoot I think this may adversely affect tourism for you. Keep this special place as it is!
tony cox	London, UK	2018-05-31	no to housing developments on green belt especially in beauty spots like saundersfoot
Karen Gregory	Nottingham, UK	2018-05-31	Please keep this beautiful place special
sarah bowden	Manchester, UK	2018-05-31	Saundersfoot is a small in scale, big in beauty; this scheme sounds the opposite.
Louise Hanbury-jones	Bridgend, Wales; Cymru, UK	2018-05-31	L. Hanbury-Jones
tony cox	London, UK	2018-05-31	this is another bad idea that would change the face of saundersfoot for good some may call it progress but this would be progress with devastation please don't do it
Debra Webber	Saundersfoot, Wales; Cymru, UK	2018-05-31	Saundersfoot already deals with a huge influx of numbers during the summer season, when everything is stretched to capacity. Adding more to this without improving infrastructure doesn't make any sense.
Jane Merrony	Tenby, Wales; Cymru, UK	2018-05-31	Infrastructure would not be able to cope.
Brian Keane	Dublin, Ireland	2018-05-31	This does not seem to be in the interest of the town and the locals
