REPORT OF ADMINISTRATION & DEMOCRATIC SERVICES MANAGER AND DEPUTY MONITORING OFFICER

SUBJECT: MEMBER REMUNERATION 2021/22

Purpose of Report

To inform Members of the Independent Remuneration Panel for Wales' decisions in relation to the Basic and Senior Salaries payable to National Park Authority Members for the financial year 2021/22.

Introduction/Background

The Independent Remuneration Panel for Wales (the Panel) was appointed in January 2008 by the (then) Welsh Assembly Government Minister for Social Justice and Local Government under the provisions of *The Local Authorities (Allowances for Members) (Wales) Regulations 2007.* The Panel was established on a permanent basis to determine the <u>maximum</u> levels of allowances payable by county and county borough councils.

Following the passing of the Local Government (Wales) Measure on 10 May 2011, the Panel's remit and powers were extended to include National Park Authorities, Fire and Rescue Authorities and 'civic heads' in local authorities. Not only that, the Measure extended the Panel's powers to enable it to prescribe payments rather than determine the maxima as it had done in the past.

The Panel published a draft Annual Report last autumn, which was considered by the Authority at its meeting held on 02 December 2020. The final Annual Report was published on 25 February 2021.

Panel determinations

The relevant extracts from the Panel's report relating to National Park Authorities are attached to this report at Appendix 1 but, in summary, the main changes to Members' remuneration for the financial year 2021/22 are:

- that the Basic Salary for "ordinary Members" is increased by £43 to £4,053 per annum;
- (ii) that the Senior Salary payable to the Chair of the Authority is increased by £145 to £12,845 per annum, and

- (iii) that the Senior Salary payable to the Deputy Chair of the Authority and Committee Chairs is increased by £82 to £7,792.
- (iv) that the restriction on the number of Senior Salaries that could be paid (previously 4 in total) is removed.
- (v) that the daily rate payable to Independent Members of the Standards Committee is increased by £12 to £268 for the Chair and £210 for "ordinary Independent Members".
- (vi) significant changes have been made to the contributions to the costs of care and personal assistance.

No changes have been made to the level of travel and subsistence rates.

The Annual Report also reiterates the following facts:

- (i) that a Senior Salary is paid **inclusive** of the Basic Salary;
- (ii) that Members must not receive more than one Senior Salary, and
- (iii) that a local authority Member who is in receipt of a Band 1 or Band 2 Senior Salary (i.e. as a County Council Leader, Deputy Leader or other executive office holder) cannot be remunerated for his/her role as an ordinary or senior Member of a National Park Authority.

The new salary framework will come into effect on 01 April 2021.

Options for Senior Salary remuneration

Three Senior Salaries are currently paid by the Authority; to the posts of Chair and Deputy Chair of the Authority, together with the Chair of the Development Management Committee. As reported previously, the restriction on the number of Senior Salaries that could be paid has now been removed.

Financial considerations

Member Salaries have been provided for in the budget.

Compliance

The Independent Remuneration Panel for Wales has prescribed the levels of Basic and Senior Salaries referred to in the report; the Authority cannot vary these levels.

RECOMMENDATIONS:

Members are requested:

- 1. To note the Independent Remuneration Panel for Wales' Annual Report for 2021/22, and
- 2. To determine which post(s) should be remunerated with a Senior Salary.

Dear Colleague

Independent Remuneration Panel for Wales – Annual Report 2021/2022

Attached is the finalised Annual Report in respect of 2021/2022 which is effective from 1 April. My thanks to the individuals and organisations who responded to the draft Report issued in September last year. The Panel has considered the views and comments that were expressed and have been taken in to account in reaching the conclusions reflected in the Report.

The Panel has confirmed the increases in the salaries for elected members of principal councils, with consequential increases for members of National Park and Fire and Rescue Authorities. There are no other substantive changes to the draft Report. I also confirm that there are no changes to the remuneration of community and town councils. However, the Panel will be undertaking a review of the current remuneration framework for this sector and any changes will be reflected in the next draft Annual Report.

I would also remind all relevant authorities of the obligation to comply with the decisions of the Panel, in particular the publication of the Schedule of Member Remuneration (Annex 3) and the Publication of Remuneration (Annex 4). There has been a significant increase in the number of authorities who have not complied with these statutory requirements.

Yours sincerely

John Bartor

ANNUAL REPORT 2021/2022

FOREWORD

As with very many organisations the coronavirus pandemic has impacted on the work of the Panel. However, we have continued to meet regularly to carry out our statutory function via Microsoft Teams.

We completely understand the implications that the pandemic has had and continues to have on all local authorities in Wales, so the proposals contained in the draft Annual Report published on the 28 September 2020 limited the extent of the changes to our Remuneration Framework 2021/2022. We consider that it is important that the payments to elected members of principal councils should not fall further behind average earnings so the modest increases in basic and senior salaries (with appropriate adjustments for members of other organisations) set out in the draft Report have not changed.

We received 39 responses to the consultation on the draft Report and are grateful to those organisations and individuals who provided comments. The majority of the responses indicated that the proposals were not inappropriate in the prevailing circumstances. Some suggested that the increases were insufficient and conversely others took the view that there should be no increases. We have acknowledged each of the responses and answered all of the queries that were raised.

The term of office of Greg Owens ended on 31 December 2020. Greg had been a long standing member and the vice chair since 2016. We wish to record our appreciation of the considerable contribution that Greg made to the work of the Panel during his membership.

Introduction

This is the thirteenth Annual Report of the Independent Remuneration Panel for Wales (the Panel), and the tenth published under the requirements of the Local Government (Wales) Measure 2011 (as amended).

- 1. Although this Report is in respect of the Panel's determinations for 2021/2022 our consideration has inevitably been influenced by the impact of the coronavirus pandemic. The ongoing issues affect the operation of all local authorities and will continue to do so for the foreseeable future.
- As with all the Panel's Annual Reports the determinations on member remuneration are underpinned by the principles set out in Section 1. In May 2020 we published a <u>Supplementary Report</u> that set out specific principles relating to the provision of financial support for care needs. These are incorporated in Section 10 and will be included in future Annual Reports.
- 3. The Panel has consistently expressed its view that maintaining the democratic values of local governance cannot be cost free. Members of local authorities (including co-opted and appointed members) are there to represent the interests of local people, undertake the governance of local communities, and secure appropriate value for money public services for local tax-payers through effective scrutiny for which they are accountable to their community. These are significant and important tasks for members of the relevant authorities within the Panel's remit. Payments to members are made available to encourage a diversity of willing and able people to undertake local governance through their elected, appointed or co-opted roles.
- 4. In determining the level of payments to members of local authorities, the Panel seeks to meet the principle of 'acceptability' by ensuring that these are not 'so great as to require a significant diversion of resources from key council priorities'. But Section 142(8) of the Measure is more explicit on 'affordability' when it states that "when setting an amount¹, the Panel must take into account what it considers will be the likely financial impact of doing so on relevant authorities". The Panel acknowledges that the issue of affordability in relation both to relevant authorities' service budgets and to the electorate's disposable incomes is likely to impact on the public perception of any increases to members' payments. It is therefore a matter of balancing issues of affordability and public perception with fairness to members for their time, worth and responsibility.
- 5. The Panel originally set the basic salary of elected members of principal councils at three-fifths of the All Wales Median Salary and senior salaries were set at multiples of this annual median salary. In setting these salaries the Panel recognised that there was an unpaid public service contribution.
- 6. The financial constraints on the public sector and particularly on local authorities over many years have meant that the link with average Welsh earnings has not been maintained. The Panel considers that this has undervalued the worth of elected members. To minimise further erosion in relation to average earnings the Panel proposes to increase the basic annual salary by £150. Other payments that are based on the basic salary will be adjusted accordingly.

- 7. Payments for members of National Park Authorities and Fire and Rescue Authorities will increase as a result of the uplift proposed for principal councils. One other change proposed for these authorities is to remove the limitation on the number of senior salaries that can be paid.
- 8. The payment information provided by relevant authorities show that still very few members are utilising the provision in the framework for financial support in respect of care. We reiterate the importance that Democratic Services Committees should encourage and facilitate greater use of this element of our framework so that members concerned are not financially disadvantaged. We are proposing significant changes regarding the costs of care which are set out in Section 10.
- 9. The Panel has continued to contribute wherever possible to enhancing diversity in local government in Wales through its determinations. The Panel produces leaflets for prospective candidates on the remuneration of members of councils. We are pleased that several councils include this leaflet on their websites. In addition we have produced a short film <u>Ever thought about being a Welsh councillor?</u> This can be viewed on our website. The Welsh Government has an initiative to increase diversity in democracy and the Panel is engaged in supporting this wherever possible within its remit.
- 10. We continue to engage with community and town councils and have met with numerous representative groups. Unfortunately the extent of engagement has been curtailed as a consequence of COVID 19. For 2021/2022 we are not proposing any specific changes to payments in respect of community and town councils. However, we intend to undertake a major review of our current framework for this sector during 2021 in readiness for implementation following the elections in 2022. We intend to consult and work with the sector in the process of the review.
- 11. The Panel's Regulations have been updated to reflect changes to the remit (see Annex 2).
- 12. One issue that has arisen again, particularly in the context of the pandemic lockdown, is the action of the Council in respect of the Reports of the Panel which it receives. When the Panel's Annual Report is issued, principal councils must comply with the statutory requirements and apply all the relevant determinations. The proper officer of the council must put in place mechanisms for all eligible council members to receive payments as determined by the Panel. There are currently no options relating to levels of remuneration by principal councils that require a decision by full council. Levels of payments to which members are entitled cannot be varied by a vote of a principal council.
- 13. Only an individual member may communicate in writing to the proper officer if, *as an individual*, they wish to decline all or part of the payment to which they are entitled.

14. How the Panel's Annual Report is formally received or noted by full council is not a matter that is within the Panel's statutory remit. Individual constitutions or standing orders of councils may vary as to matters that may be submitted to full council for consideration. It is for each council to decide how they wish to manage receipt of the Panel's statutory Annual Report and if appropriate seek the advice of their legal officers. However, all council members and officers should take care that no misleading statements are made or reported in media, in particular, an indication that a council has taken a decision to reduce or vary levels of payments. There are no powers that permit a principal council to take such action.

7. Payments to Members of National Park Authorities (NPAs)

Structure of National Park Authorities

- 7.1 The three National Parks in Wales Brecon Beacons, Pembrokeshire Coast and Snowdonia were formed to protect spectacular landscapes and provide recreation opportunities for the public. The Environment Act 1995 led to the creation of the three corresponding National Park Authorities (NPAs). These have two main statutory purposes, to:
 - protect and improve the natural beauty, wildlife and cultural heritage;
 - promote opportunities for the public to understand and enjoy the National Park's special features.

In addition to fulfilling the National Park's purposes, it is the duty of the National Park Authority to foster the economic and social wellbeing of local communities within the Park.

- 7.2 National Park Authorities comprise Members who are either elected members nominated by the Principal Councils within the National Park area or are members appointed by the Welsh Government through the Public Appointments process. Welsh Government appointed and council nominated members are treated equally in relation to remuneration.
- 7.3 The structure of the Members' Committee at each of the three national parks is set out in Table 4.

National Park Authority	Total Member ship	Principal Council Members	Welsh Government appointed Members
Brecon Beacons	18	12: Blaenau Gwent County Borough Council – 1 Carmarthenshire County Council – 1 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 1 Powys County Council – 6 Rhondda Cynon Taf County Borough Council - 1 Torfaen County Borough Council – 1	6
Pembrokeshire Coast	18	12: Pembrokeshire County Council – 12	6
Snowdonia	18	12: Conwy County Borough Council – 3 Gwynedd Council – 9	6

Table 4: Membership of Welsh National Park Authorities

- 7.4 In addition, Standards Committees of NPAs have independent co-opted members whose remuneration is included in the Framework as set out in Section 9.
- 7.5 In considering remuneration of members of NPAs, the Panel has based its determinations on the following key points:
 - NPAs manage their work via formal authority meetings, committees and task and finish groups. Each has a Development, Management and or Planning Committee, and other committees include Performance and Resources and Audit and Scrutiny. Ordinary NPA members are members of at least one committee as well as being involved in site visits and inspection Panels.
 - There is an expectation that members will participate in training and development.
 - The Chair of an NPA has a leadership and influencing role in the authority, a representational role similar in some respects to that of a civic head and a high level of accountability. The chair is not only the leader of the authority but is also the public face of the particular national park and is the link with the Minister and MSs with whom they have regular meetings. The role requires a high level of commitment and time.

Basic and senior salaries

- 7.6 In the time commitment on which the remuneration of members is based is 44 days. The salary for members of NPAs will increase to £4,053.
- 7.7 The Panel has determined that the remuneration of a NPA Chair should be aligned to that part of a Band 3 senior salary received by a committee chair of a principal council. This salary will increase to £12,845.
- 7.8 The Panel has previously determined that up to two other committee Chairs can be remunerated. If the NPA considered this was restrictive, there was an option to apply for additional Senior Salary. It is proposed that this restriction is removed and that NPAs determine the number of Senior posts it requires as appropriate to its governance arrangements. The determination relating to the application for additional senior salaries is removed.
- 7.9 The Panel has made the following determinations:

Determination 21: The basic salary for NPA ordinary members shall be £4,053 with effect from 1 April 2021.

Determination 22: The senior salary of the Chair of a NPA shall be £12,845 with effect from 1 April 2021.

Determination 23: A NPA senior salary of £7,792 must be paid to a Deputy Chair where appointed.

Determination 24: Committee chairs or other senior posts can be paid. This shall be paid at £7,792.

Determination 25: Members must not receive more than one NPA senior salary.

Determination 26: A NPA senior salary is paid inclusive of the NPA basic salary.

Determination 27: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA to which they have been appointed. Where this situation applies, it is the responsibility of the individual member to comply.

Note: Family absence does not apply to Welsh Government appointed members and local authority nominees are covered by their principal council so NPAs are not required to make any arrangements in this respect.

9. Payments to Co-opted Members of Principal Councils, National Park Authorities and Fire & Rescue Authorities⁶

- 9.1 The Panel has determined that a daily or half daily fee is appropriate remuneration for the important role undertaken by co-opted members of authorities with voting rights.
- 9.2 The number of days in any one year for which co-opted members may be paid varies and reflects the specific work discharged by the relevant committee. This context for payment therefore differs from that for elected members of principal councils which provides a monthly payment. Many elected members of principal councils report that they rely on this as part of a core income without which they would be unable to continue in the role.
- 9.3 In dialogue with the Panel, co-opted members acknowledge the importance of fees they receive but do not identify these payments as an income for living upon which they depend. Panel determinations in relation to co-opted member fees occur in this context and any uplifts are therefore not comparable with the changes to salaries of elected members.
- 9.4 The Panel proposes an increase of £12 to £210 daily rate for ordinary co-opted members and for those with additional responsibility.
- 9.5 Recognising the important role that co-opted members discharge, payment must be made for travel and preparation time; committee and other types of meetings as well as other activities, including training, as set out in Determinations 36 to 39.
- 9.6 The determinations are set out below and principal councils, NPAs and FRAs must tell co-opted members the name of the appropriate officer who will provide them with the information required for their claims; and make the appropriate officer aware of the range of payments that should be made.

Determination 35: Principal councils, NPAs and FRAs must pay the following fees to co-opted members who have voting rights (Table 6).

Chairs of standards, and audit committees	£268 (4 hours and over) £134 (up to 4 hours)
Ordinary members of standards committees who also	£238 daily fee
chair standards committees for community and town	(4 hours and over)
councils	£119 (up to 4 hours)
Ordinary members of standards committees; education	£210
scrutiny committee; crime and disorder scrutiny	(4 hours and over)
committee and audit committee	£105 (up to 4 hours)

Table 6: Fees for co-opted members (with voting rights)

Community and town councillors sitting on principal	
council standards committees	

Determination 36: Reasonable time for pre-meeting preparation is to be included in claims made by co-opted members the extent of which can be determined by the appropriate officer in advance of the meeting.

Determination 37: Travelling time to and from the place of the meeting is to be included in the claims for payments made by co-opted members (up to the maximum of the daily rate).

Determination 38: The appropriate officer within the authority must determine in advance whether a meeting is programmed for a full day and the fee will be paid on the basis of this determination even if the meeting finishes before four hours has elapsed.

Determination 39: Fees must be paid for meetings and other activities including other committees and working groups (including task and finish groups), pre-meetings with officers, training and attendance at conferences or any other formal meeting to which co-opted members are requested to attend.

Support for co-opted members

Determination 40: Each authority, through its Democratic Services Committee or other appropriate committee, must ensure that all voting coopted members are given as much support as is necessary to enable them to fulfil their duties effectively. Such support should be without cost to the individual member.

⁶This section does not apply to co-opted members to community and town councils.

10. Contribution towards Costs of Care and Personal Assistance (CPA)

- 10.1 This section applies to all members of principal councils, National Park Authorities, Fire and Rescue Authorities and to Co-opted members of these authorities. The same provision applies to Community and Town Councils.
- 10.2 The purpose of this section is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel believes that additional costs of care required to carry out approved duties should not deter any individual from becoming and remaining a member of an authority or limit their ability to carry out the role. The Panel has adopted specific principles related to support for the costs of care which were the subject of a <u>Supplementary</u> <u>Report</u> published in February 2020. These principles are set out in table 7.
- 10.3 The Panel reviewed the arrangements for this financial support and has made the following changes:
 - As payments are taxable under the current HMRC rules, full reimbursement is not possible so for clarity this is retitled to "contribution towards the costs of care and personal assistance". It will still require receipts to accompany claims.
 - b) Claims can be made in respect of a dependant under 16 years of age, or a minor or adult who normally lives with the member as part of their family and who cannot be left unsupervised.
 - c) Clarification in respect of a member's own care or support needs: Reimbursement may be claimed where the support and or cost of any additional needs are not available or are not met directly by the authority such as Access to Work, Personal Payments, Insurance. These could arise when the needs are recent and or temporary.
- 10.4 Members, including co-opted members are entitled to claim towards the costs of care and personal assistance, for activities that the individual council has designated official business or an approved duty which might include appropriate and reasonable preparation and travelling time. It is a matter for individual authorities to determine specific arrangements to implement this; each authority must ensure that any payments made are appropriately linked to official business or approved duty.
- 10.5 The Panel reviewed the maximum monthly payment in recognition that this has not changed for several years. Information indicates that monthly costs and claims vary considerably. These can depend on the number of dependants, their ages and other factors. Therefore the monthly cap will be replaced with the following arrangements:
 - Formal (registered with Care Inspectorate Wales) care costs to be paid as evidenced.

• Informal (unregistered) care costs to be paid up to a maximum rate equivalent to the Real UK Living Wage at the time the costs are incurred.

For clarification, care costs cannot be paid to someone who is a part of a member's household

10.6 The Panel continues to recognise the issues relating to the publication of this legitimate expense and has retained the requirements for publication set out in Annex 4. To support current members and to encourage diversity the Panel urges authorities to promote and encourage greater take-up of the contribution towards costs of care and personal assistance.

Table 7

The Panel's principles relating to care and personal assistance (CPA)

The Minimum A	How this could be done	
Be clear who it is for	Members with primary caring responsibilities for a child or adult and or personal support needs where these are not covered by statutory or other provision. For personal support. This might also include a short term or recent condition not covered by the Equality Act 2010, access to work, Personal Payments, insurance or other provision.	A Confidential review of the needs of individual members annually and when circumstances change
Raise Awareness	Ensure potential candidates, candidates and current members are aware that financial support is available to them should their current or future circumstances require.	Ensure clear and easily found information is available on website and in election and appointment materials, at Shadowing and at induction and in the members' "handbook". Remind serving members via e-mail and or training. Signpost to Panel's <u>Payments to Councillors</u> leaflets.
Promote a Positive Culture	Ensure all members understand the reason for CPA and support and encourage others to claim where needed.	Encouragement within and across all parties of Relevant Authorities to support members to claim.

The Minimum Authorities should do		How this could be done	
		Agree not to advertise or make public individual decisions not to claim.	
Set out the approved duties for which CPA can be claimed	 Meetings – formal (those called by the Authority) and those necessary to members' work (to deal with constituency but not party issues) and personal development (training, and appraisals.) Travel – in connection with meetings. Preparation – reading and administration are part of a member's role. Some meetings and committees require large amounts of reading, analysis or drafting before or after a meeting. Senior salary holders with additional duties may have higher costs. 	Approved duties are usually a matter of fact. Interpretation of the Panel's Regulations are set out in the Annual Report. "Any other duty approved by the authority, or any duty of class so approved, undertaken for the purpose of, or in connection with, the discharge of the functions of the authority or any of its committees."	
Be as enabling as possible about the types of care that can be claimed	Members should not be "out of pocket" subject to the limit set in the Annual Report. Models of care and needs vary. Members may use a combination of several care options. Patterns of care may alter over the civic and academic year. Not all care is based on hourly (or part hourly) rates. Where a whole session must be paid for, this must be reimbursed even where the care need is only for part of a session. Members may need to:		
	 book and pay for sessions in advance commit to a block contract: week, month or term pay for sessions cancelled at short notice Where care need straddles two sessions both should be reimbursed. 		

34

The Minimum A	Authorities should do	How this could be done
Have a simple and effective claim process	Members should know how to claim. The claim process should be clear, proportionate and auditable.	Check members understand how to claim and that it is easy to do so.
		Flexibility to accept paperless invoices Online form Same or similar form to travel costs claim
Comply with Panel's Publication rules	The Panel's Framework states: "In respect of the publication of the reimbursement of the costs of care, the Panel has decided that relevant authorities should only publish the total amount reimbursed during the year. It is a matter for each authority to determine its response to any Freedom of Information requests it receives. However, it is not intended that details of individual claims should be disclosed."	

Determination 41: All relevant authorities must provide a payment towards necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs as follows:

- Formal (registered with Care Inspectorate Wales) care costs to be paid as evidenced.
- Informal (unregistered) care costs to be paid up to a maximum rate equivalent to the Real UK Living Wage at the time the costs are incurred.

This must be for the additional costs incurred by members to enable them to carry out official business or approved duties. Each authority must ensure that any payments made are appropriately linked to official business or approved duty. Payment shall only be made on production of receipts from the care provider.

11. Sickness Absence for Senior Salary Holders

- 11.1 The Family Absence Regulations (approved by the National Assembly in 2014) are very specific relating to entitlement and only available for elected members of principal councils. Absence for reasons of ill-health is not included.
- 11.2 Instances have been raised with the Panel of senior salary holders on long term sickness and the perceived unfairness in comparison with the arrangements for family absence. In consequence, councils are faced with the dilemma of:
 - Operating without the individual member but still paying them the senior salary.
 - Replacing the member who therefore loses the senior salary (but retains the basic salary).
- 11.3 The Panel's Framework provides specific arrangements for long term sickness as set out below:
 - a) Long term sickness is defined as certified absences in excess of 4 weeks.
 - b) The maximum length of sickness absence within these proposals is 26 weeks or until the individual's term of office ends, whichever is sooner (but if reappointed any remaining balance of the 26 weeks will be included).
 - c) Within these parameters a senior salary holder on long term sickness can, if the authority decides, continue to receive remuneration for the post held.
 - d) It is a decision of the authority whether to make a substitute appointment, but the substitute will be eligible to be paid the senior salary appropriate to the post.
 - e) If the paid substitution results in the authority exceeding the maximum number of senior salaries payable for that authority, as set out in the Annual Report, an addition will be allowed for the duration of the substitution. (However, this would not apply to Merthyr Tydfil or the Isle of Anglesey councils if it would result in more than 50% of the membership receiving a senior salary. It would also not apply in respect of a council executive member if it would result in the cabinet exceeding 10 posts the statutory maximum).
 - f) When an authority agrees a paid substitution, the Panel must be informed within 14 days of the decision of the details including the specific post and the estimated length of the substitution. The authorities' Schedule of Remuneration must be amended accordingly.
 - g) It does not apply to elected members of principal councils who are not

senior post holders as they continue to receive basic salary for at least six months irrespective of attendance and any extension beyond this timescale is a matter for the authority.

11.4 This arrangement applies to members of principal councils, National Park Authorities and Fire and Rescue Authorities who are senior salary holders, including Welsh Government appointed members, but does not apply to co- opted members.

Note:

The Family Absence Regulations apply to elected members in cases of maternity, new born, adoption and parental absences from official business. They do not apply to Welsh Government appointed members of National Park Authorities.

12. Reimbursement of Travel and Subsistence Costs when on Official Business

- 12.1 This section applies to members of principal councils, National Park Authorities, Fire and Rescue Authorities and to co-opted members of these authorities. (Similar provision for Community and Town Councils is contained in section 13 as there is a different approach to such members, principally that the provision is permissive.)
- 12.2 Members may claim reimbursement for travel and subsistence (meals and accommodation) costs where these have arisen as a result of undertaking official business or approved duties.
- 12.3 Expenses reimbursed to members of principal councils, by their principal council are exempt from Income Tax and employee NICs. Members of National Park Authorities and Fire and Rescue Authorities may be subject to other arrangements as determined by HMRC.
- 12.4 The Panel is aware that in some instances members with disabilities have been reluctant to claim legitimate travel expenses because of an adverse response following the publication of their travel costs. As an alternative, travel arrangements could be made directly by the authority in such circumstances.
- 12.5 The Panel has determined there will be no change to mileage rates which members are entitled to claim. All authorities may only reimburse travel costs for their members undertaking official business within and or outside the authority's boundaries at the current HM Revenue and Customs (HMRC) rates which are:

45p per mile	Up to 10,000 miles in a year by car
25p per mile	Over 10,000 miles in a year by car
5p per mile	Per passenger carried on authority business
24p per mile	Motor cycles
20p per mile	Bicycles

Reimbursement of mileage costs

12.6 Where a member who is on official business or an approved duty is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Reimbursement of other travel costs

12.7 All other claims for travel, including travel by taxi if this is the only, or most

appropriate, method of transport, must only be reimbursed on production of receipts showing the actual cost and will be subject to any requirement or further limitation that an authority may determine. Members should always be mindful of choosing the most cost-effective method of travel.

Reimbursement of subsistence costs

£28 per day	Day allowance for meals, including breakfast, where not provided in the overnight charge
£200 per night	London
£95 per night	Elsewhere
£30 per night	Staying with friends and or family

- 12.8 These rates are in line with Welsh Government rates. Recommended practice is that overnight accommodation should usually be reserved and paid for on behalf of members by the relevant authority, in which case an authority may set its own reasonable limits and the limits which apply when an individual member claims in arrears for overnight accommodation costs do not then apply.
- 12.9 All authorities must continue to reimburse subsistence expenses for their members up to the maximum rates set out above on the basis of receipted claims except for occasions when members stay with friends and or family.
- 12.10 There may be instances where an authority has determined that travel costs within its boundaries are payable and require a journey to be repeated on consecutive days. Where it is reasonable and cost effective to reimburse overnight accommodation costs, instead of repeated daily mileage costs, then it is permissible to do so.
- 12.11 It is not necessary to allocate the maximum daily rate (£28 per day) between different meals as the maximum daily rate reimbursable covers a 24-hour period and can be claimed for any meal if relevant, provided such a claim is accompanied by receipts.
