

Application Form

Please read the information sheet and guidance notes to help you answer the questions.

Part 1: Organisation and contact information

1 What is the full legal name of your organisation, as shown on your governing document?

2 What is the main or registered address, including postcode, for your organisation?

3 What type of organisation are you?

Select your organisation type from at least one of these categories. You can select from more than one category if relevant.

- Voluntary or community organisation (including registered charities, constituted groups or clubs, not-for-profit companies, social enterprises and Community Interest Companies)
- Statutory organisation (including town, parish or community councils)
- Other (please specify)

4 Give any reference or registration numbers you have:

Charity registration number

Company number

5 Organisation website address and social media name/s

6 Main contact:

Who should we contact if we have questions about your application?

Name

Position or job title

Telephone

Email

Preferred language

Any particular communication needs

7 Legally responsible contact:

Who in your organisation will be legally responsible for the funding?

This cannot be the same person as the main contact.

Name

Position or job title:

Telephone

Email

Preferred language

Any particular communication needs

Part 2: Your project

8. What is the name of your project?

You can write up to 40 characters including spaces.

9 What would you like to do?

Please tick

- Install renewable energy generation facilities to a community building
i.e. solar panels
- Develop an initiative to promote reduction in carbon emissions in transport
i.e. installing an electric charging point for bikes or cars or by supporting access to non-individual travel
- Install a community facility that minimises waste,
i.e. water fountain
- Any other community-based carbon reduction initiative.

10 Project description

Please describe your project (maximum 500 words). We would like to know what you want to do and how the project will support the reduction in carbon or help with climate change. Explain who will be involved and why the project is needed.

11 Where will your project take place?

--

12 Does your project require any permissions or consents? Have they been obtained?

--

13 When are you planning on starting and completing your project?

--

14 Are you VAT registered?

- Yes
- No

15 Please provide a breakdown of your budget

If you are VAT registered please include your costs before VAT is added.

Please round your costs to the nearest £1.

Costs	Amount from us (£)	Quote received
Example: Electric vehicle charging point	£19,000	Yes
A: Total project cost		

16 How much money are you asking SDF for?

B: Total amount SDF funding sought		
---	--	--

17 What match funding is available to the project?

PLEASE CHECK: Amount B + Amount C = Should equal amount A

Source of match funding	Amount	Secured
C: Total match funding (this must be minimum of 20% of total project costs)		

18 How will you measure the impact of your project? Maximum 300 words

Empty response box for question 18.

19 How will your project be sustained long term? Maximum 300 words

Empty response box for question 19.

20 How will you communicate the benefits of your project to the wider community?

Part 3: Declaration
