

REPORT OF THE CHIEF EXECUTIVE

SUBJECT: TO RENEW THE MEMORANDUM OF UNDERSTANDING WITH THE PEMBROKESHIRE COAST NATIONAL PARK TRUST

This report discusses the following proposal to renew the Memorandum of Understanding (MOU) with the Pembrokeshire Coast National Park Trust.

Introduction

In the February 2018 Authority meeting Members voted to set up a local Charitable Trust, subject to the relevant documentation being presented and approved by Members, prior to submission to the Charity Commission for registration.

The Memorandum of Understanding between the Pembrokeshire Coast National Park Authority (Authority) and the Pembrokeshire Coast National Park Trust (Trust) was agreed at the May 2018 meeting. That MOU is now due to expire and therefore we propose to renew the MOU for a further 5 years, from April 2023 to March 2028.

A copy of the revised MOU is included as Annex A.

Financial Considerations

There are no direct costs in agreeing the MOU, however, in agreeing the MOU the Authority is agreeing to cover the operational costs of the Trust. However, the Authority receives income from the Trust to support its work and therefore supporting the trust is key element of our wider fundraising strategy and approach.

Risk Considerations

While the Trust is an independent charity there are a number of mechanisms to manage risk relating to the Trust. These include the Authority appointing up to a third of the trustees and an annual presentation to Members of the Authority by the Trust. In addition, the External Funding Manager takes on the role of the Charity Director and is line managed by the Head of Finance.

Equality Considerations

The Trust has a legal duty to comply with the Equality Act 2010.

The Trust will ensure its selection process for Trustees complies with equality legislation and best practice and that a clear code of conduct is in place for Trustee/Trustee Members.

Welsh Language Considerations

All communications and marketing relating to the Trust will be available bilingually. Donor's language preferences will be sought, noted and adhered to. The public interface will comply with the Welsh Language Standards.

RECOMMENDATION

For Members to approve a new Memorandum of Understanding with the Pembrokeshire Coast National Park Trust for the period April 2023 to March 2028.
