

Report No. **08/23**  
Sustainable Development Fund Committee

**Report of Farming Conservation Officer**

---

**Subject: Update of Greening Agriculture**

**Purpose of Report**

To provide Members with an update of the Greening Agriculture Pilot.

**Background**

Funding has been secured over the next 2 years from the Sustainable Landscapes Sustainable Places Welsh Government Grant to develop the Greening Agriculture pilot with the aim of further decarbonisation within the agricultural sector both by reducing emissions and sequestration.

**2.1 Current financial commitments. Projects currently running.**
