

Report of the Performance and Compliance Co-ordinator

Subject: Performance Report for the Period Ending 30st September 2023

Introduction

PCNPA is currently going through a transition period as it moves to consolidate its activities to support delivery of its new Well-being Objectives and high-level priorities. The Authority agreed a set of delivery plans at the July NPA and associated performance framework for Q3/Q4 of this year is being developed. In the interim relevant actions from the Corporate and Resources Plan 2022/23 have been carried forward for Q1 and Q2 2023/24.

The performance report follows the structure of the Corporate and Resources Plan for 2022/23. RAG actions previously reported for 2022/23 have been reviewed to see if they need to be amended or removed for the Q1-Q2 2023/24 reporting period. A [list](#) was included in the performance report that went to the July Audit and Corporate Services Committee of amended/ updated actions and actions that were removed and the reasons why.

The following report presents the performance to date up to 30th September 2023 and includes quarter 2 statistics for some measures. Please note some statistics are captured annually and these are reported via our Annual Report on Meeting Well-being Objectives.

An explanation of RAG status has been added to the end of this introduction report. In addition, the table below has been included to provide an overview of performance against different levels of priority RAG actions. Completion of Delivery Plans have been amalgamated into one action.

Overview of Performance for RAG Items (as of January)				
Classification of RAG Items		% Green	% Amber	% Red
P1	High risk for Authority if not delivered or progressed in Q1 – Q2 2023/24/ Wider risks around compliance, funding commitments and reputational risks.	74% (42/57)	26% (15/57)	0% (0/57)
P2	Moderate risk for Authority if not delivered or progressed in Q1 – Q2 2023/24 / Likely to be taken forward and further developed through delivery plans.	89% (16/18)	11% (2/18)	0% (0/18)
P3	Lower risk for Authority if not delivered or progressed in Q1 – Q2 2023/24/ Likely to be taken forward and further developed through delivery plans.	100% (7/7)	0% (0/7)	0% (0/7)

C	Collaboration/ Strategic Partnership Activity	100% (23/23)	0% (0/23)	0% (0/23)
---	---	-----------------	--------------	--------------

Following recommendation from internal Audit, where there has been a change in intra year data reported following review and updates to source data, previously reported figures for the year are placed in [] underneath any updated figures.

Delivery Plans

All Delivery Plans alongside the Corporate and Resources Plan 2023/24-26/27 went to the July NPA and were approved.

Conservation

The SLSP: Wild Coast, Wild Park Nature Recovery Project is in Amber. Work is ongoing on developing proposals with landowners. Officers are under pressure to get these agreements ready for scoring and the timescale is slipping slightly. Grant to Bangor University for Native Oyster Regeneration approved by NPA.

An EOI window closed for the Dairy/ Greening Agriculture Project on the 30th of April. Applications were ratified at the SDF September Committee meeting. Three farms were awarded the Greening Agriculture Grant with another deferred to the January meeting subject to planning permission. A new window for the Traditional Boundaries scheme will open in October with expressions of Interest to be submitted before the 13th of November.

September was the final month of the Achub Brith y Gors project. Pathways volunteers assisted with fencing activities and planting of Succisa plugs. The balsam in the Wern catchment is receiving ongoing funding from the Nature Partnership so that work can continue beyond September.

119 pollinator/ habitat improvements have been carried out on PROW ytd.

Review of Foreshore Management approach is in amber due to lack of staff capacity linked to the ongoing change which is hindering ability to progress this work. As a result, officers are exploring the option of commissioning an independent review of our approach to foreshore management as this is a cross-cutting piece of work that will help underpin a number of PCNPA priorities relating to conservation, recreation management, income generation, etc.

Climate

Annual carbon emissions submission for 2022/23 submitted to Welsh Government on 30th of August in advance of 4th September deadline. Future submissions will be co-ordinated by the decarbonisation team.

In terms of EV Charging network the installation of EV Charging project is complete, with system fully operational. A case study has been included in the performance report.

In terms of PV installation at Cilrhedyn the consultants report has been updated due to some potential additional grid export capacity. Authority is currently engaging with Welsh Government Energy Service to highlight areas of carbon reduction / introduction of sustainable technologies including their viability. An options report has been completed and will be presented to Management Team.

The April SDF Committee approved funding for 6 community decarbonisation projects. 7 SDF projects have been completed ytd. A case study has been included on the Lloches Solar Beiciau Clydau / Clydau Solar Bike Shelter that was funded by SDF.

No trees have been planted as part of the Community tree planting project ytd as planting activities will resume when the planting season starts in November. However, Rangers are meeting with a small number of communities about planting schemes to take place this winter.

Pembrokeshire Traffic and Parking survey was launched in July as part of the Sustainable Transport Study. 660 responses were received during survey period. The consultant for the project is analysing survey results and traffic count data.

In terms of SLSP funded E-Bike scheme, officers were awaiting final sign-off of the updated privacy notice and the associated terms and conditions of hire. The plan is to undertake a 'soft launch' of the e-bike hire scheme in October with the aim of 'ironing out' any potential issues in advance of Spring 2024 when we would anticipate a potential increase in demand (i.e. as visitor numbers increase).

In terms of activities to respond and increase resilience to the impact of coastal erosion and poor weather cycles on paths realignment of Coast Path at Marloes due to instability being planned (consents attained, contractor and materials procured) for work to take place in October. Design now approved for new tidal crossing at the Gann to withstand storm events. Phase 3 of coastal protection work on Byway at Angle completed.

Connection

In terms of the LIDAR survey and associated activities, during August, the complete dataset was analysed/processed by an external specialist and visualisations were produced with the data. This work is now complete and the citizen science element will be developed outside the scope of the project as a longer term community/public opportunity.

The Carew Castle Access Project has been delayed and is still in the initial stages, once plans are finalised, they will be submitted for the relevant consents.

The Authority's new Health and Wellbeing Officer is now in post and will lead on a number of areas of work including progressing work on responding to Experiences for all findings.

There have been 350 Beach Wheelchair / Mobility booking equipment bookings ytd. During September we received a generous donation from Pembrokehire Access group in memory of Alan Hunt that will go towards purchasing a new Rollator.

Across Q1 and Q2 we had 2,136 participants in supported walking activities, compared to 1,476 in 2022/23 with 111 walks supported by volunteer activity leaders.

Communities

Oriel y Parc's new exhibition 'Geiriau Diflanedig – The Lost Words' is proving popular and visitor numbers to gallery have already exceeded number of visitors for full 2022/23 year, despite gallery being closed for three weeks in June for set up of new exhibition.

Both the Celtic Routes and Ancient Connection Partnership initiatives ended in July.

In terms of Dark Sky project following scrutiny of the Ridge report a shortlist of the most feasible retrofit projects has been submitted to Ridge for further investigation and specific design work prior to implementing changes. Dark Skies Officer has begun approaching organisations and businesses on the report to establish interest in the project. Bat surveys have been carried out at three potential retrofit sites as part of the SLSP program to monitor any affect the retrofit lighting changes may have on bat activity at those sites. Funding opportunities are being sought to assist with the extensive retrofit work necessary to PCNPA properties in order for PCNPA to lead by example.

Castell Henllys has run into difficulty with Welsh speaking staffing. In terms of school visits, Castell Henllys is still able to offer the school programme through the medium of Welsh, but not fully, therefore some sessions have had to be bilingual. There is a need to maximise the amount of Welsh speakers Castell Henllys has on site.

Meeting of Welsh Language Working Group was arranged for 10/10/23 with the aim of presenting the Strategy to the NPA in December.

Planning Performance

The % of all planning applications determined within time periods ytd is below target at 68.14%, however has improved from 58.57 in Q1 and has moved from a Red to an Amber RAG rating. The average time taken to determine all planning applications in days ytd has a Red RAG rating at 122 days ytd.

Officers are tackling the backlog that built up during covid and a period where the team were short staffed, but whilst they do so it will have a knock-on negative impact on performance. Clearing older more complex applications which often require a S.106 agreement is distorting the average days taken to determine an application figure.

Figures for average time taken to investigate enforcement cases in days ytd and average time taken to take enforcement action in days ytd have been affected by

closure of significant number of South cases in Q2. Some cases that should have been closed but were not previously closed on the system were identified and subsequently closed in Q2. This has cleared a backlog of cases on the system but it has had a significant impact on the number of days for Q2 in terms of these measures. Managers are reviewing processes with staff to ensure that cases are closed appropriately. A new Enforcement and Conservation Assistant post has been created and commenced in October 2023 which will provide additional resilience and support in this area.

Corporate Areas of Change

In terms of the Pay and Grading review job descriptions and supporting information were submitted during September and early October. Update meetings were held with WME Consultants to ensure that the information was sufficient for their needs and maintained equality and diversity conventions. Work is continuing on the local job evaluation conventions for the Authority.

Work is progressing in terms of further implementation of Microsoft 365 across the Authority in terms on development of new Parcnet. However, training has been put on hold as IT team is stretched, due to essential maintenance of some network hardware.

% Member attendance at training is showing Red RAG rating however this potentially reflects that the 2 training sessions held in May were both field trips. One of these was the two-day Welsh Members Seminar held this year in Crickhowell.

Income from Centres Merchandise and Admissions have increased, with 19.5% increase for merchandise and 11.3% increase from admissions compared to last year.

Work of Carew Causeway have been postponed until Autumn 2023 due to resource issues, tender documentation ready to go out to market, all consent to be extended.

Officers are exploring alternative procurement method using South West Wales Regional Contractors Framework via mini competition to progress the Green Room Development. This follows two previous unsuccessful efforts to appoint contractors. Expressions of interest to framework contractors received and tender process to commence early October.

% workforce equality monitoring information completed on people management system has increased from 61.55% in Q1 to 67.73% in Q2.

Welsh Language Commissioner received one complaint regarding alleged failure to comply with Welsh Language Standards in Q1. The complaint related to Coast to Coast not being a bilingual publication. The complaint was upheld, in response future publications of Coast to Coast will be bilingual.

ICO received a complaint about the Authority relating to sharing personal data with a third party consultant without a legal basis. ICO found in favour of the Authority in terms of lawful basis of public task the Authority was relying on in order to process

personal data. An action plan was not required, however based on ICO recommendation the Authority is reviewing its privacy notice for planning and clarification was provided on frequency of data protection training, with ICO recommending that staff undertake data protection training once a year.

One subject access ytd has been provided outside required time frames.

Monthly catch up meetings with new set of officers from relevant teams has been put in place to support delivery of record management project and provide space for problem solving activities to support progression of it.

Explanation of RAG Status

RAG	What it means
Red	<p>Close monitoring and/or significant action required.</p> <p>This would normally be triggered by any combination of the following:</p> <ul style="list-style-type: none"> • Measures: Not meeting the target or set to miss the target by a significant amount. • Projects/ Project Development: <ul style="list-style-type: none"> ○ Significant issues with the project e.g. project hasn't started within expected timescales, delays against critical milestones, failure to achieve project outcomes, significant challenges to operational delivery and issues with budget profiling. Action progress should be noted as Behind. ○ If project is on hold/ no aspect of the project can be delivered and risk project associated with has increased because of inaction. Action progress should be noted as On Hold. ○ If project is on track but there are future funding concerns. Action progress should be noted as On Track, however an explanation of Red rating regarding funding concerns should be included in the comments section. • Ways of Working: <ul style="list-style-type: none"> ○ Significant delays with progressing ways of working activities. Critical activities, milestones and outcomes not being achieved. Lack of progress raises compliance concerns. Action progress should be noted as Behind. ○ If activity is on hold and risks have increased because of inaction. Action progress should be noted as On Hold. • Strategic: <ul style="list-style-type: none"> ○ Strategic partnership or engagement failing to achieve desired outcomes, lack of sustainability within partnership, funding concerns or capacity concerns in terms of Authority involvement. Action progress should be noted as Behind. ○ Strategic partnership engagement has halted, and risks associated with partnership has increased because of inaction. Action progress should be noted as On Hold.
Amber	<p>Light touch monitoring required and/or some action should be carried out to prevent movement to Red status or to ensure progress to Green</p>

	<p>status.</p> <p>This would normally be triggered by any combination of the following:</p> <ul style="list-style-type: none"> • Measures: Performance is currently not meeting the target or set to miss the target by a narrow margin. • Projects/ Project Development: <ul style="list-style-type: none"> ○ Minor or initial concerns around project performance and delivery e.g. some slippage in terms of timescales, initial concerns around progress towards project milestones, outcomes, operational delivery and budget profiling. Action progress should be noted as Behind. ○ For actions previously in red, where measures have been put in place to address any previous major concerns and are being acted upon. Action progress should be noted as Behind. ○ If project is on hold/ no aspect of the project can be delivered but there are limited risks because of inaction. Action progress should be noted as On Hold. ○ If project is on track but there are some future funding concerns. Action progress should be noted as On Track, however an explanation of Amber rating regarding funding concerns should be included in the comments section. • Ways of Working: <ul style="list-style-type: none"> ○ Minor delays with progressing ways of working activities. Some activities, milestones and outcomes not being achieved. Action progress should be noted as Behind. ○ For actions previously in red, where measures have been put in place to address any previous major concerns and are being acted upon. Action progress should be noted as Behind. ○ If activity is on hold but there are limited risks because of inaction. Action progress should be noted as On Hold. • Strategic: <ul style="list-style-type: none"> ○ Initial concerns on strategic partnership or engagement achieving desired outcomes, sustainability of partnership, funding or capacity in terms of Authority involvement. Action progress should be noted as Behind. ○ Strategic partnership engagement has halted, and there are only minor risks due to inaction. Action progress should be noted as On Hold.
Green	<p>No action required.</p> <p>This would normally be triggered by any combination of the following:</p> <ul style="list-style-type: none"> • Measures: Performance is currently meeting the target. • Projects/ Project Development: Everything is functioning as expected, project performance is as planned with the project meeting milestones and outcomes. Action progress should be noted as On Track. If project milestones have been met ahead of schedule then action progress should be noted as Ahead. • Ways of Working: Progress is being made against areas for action

	<p>within reasonable timescales. Milestones and Outcomes are being achieved. Action progress should be noted as On Track.</p> <ul style="list-style-type: none">• Strategic: Healthy sustainable partnership in place, delivering against desired outcomes. Action progress should be noted as On Track.
<p>Performance for some Measures are based on across year benchmarking and trend considerations, performance columns on previous year performance should be used to assess performance in these areas.</p>	

RECOMMENDATION:

Members are requested to RECEIVE and COMMENT on the Performance Report.

Performance Report – Corporate and Resources Plan 2023/24 (April – September)

Transitional Performance Framework Q1 - Q2 2023/24

PCNPA is currently going through a transition period as it moves to consolidate its activities to support delivery of its new Well-being Objectives and high-level priorities. The Authority agreed a set of delivery plans at the July NPA 2023, it is expected that a new performance framework will be put in place for Q3 and Q4 of 2023/24 reflecting activities within the Authority’s delivery plans. In the interim relevant actions from the Corporate and Resources Plan 2022/23 have been carried forward for Q1 and Q2 2023/24.

As a result of this being a transitional framework RAG Actions have been categorised as follows:

P1	High risk for Authority if not delivered or progressed in Q1 – Q2 2023/24/ Wider risks around compliance, funding commitments and reputational risks.
P2	Moderate risk for Authority if not delivered or progressed in Q1 – Q2 2023/24 / Likely to be taken forward and further developed through delivery plans.
P3	Lower risk for Authority if not delivered or progressed in Q1 – Q2 2023/24/ Likely to be taken forward and further developed through delivery plans.
C	Collaboration/ Strategic Partnership Activity

Impact Case Studies provided by staff have been included in relevant sections of the report. The aim is for these case studies to capture the initial impact of work we do but will also include relevant reflective case studies that show a longer-term impact.

P2	Engagement Activities with Dairy Industry/ Farmers and Greening Agriculture Project (S6)	Green	Green	→	<p>Progress Status: In Progress/ On Track</p> <p>An EOI window closed for the Dairy Project on the 30th of April. Applications were ratified at the SDF September Committee meeting. Three farms were awarded the Greening Agriculture Grant with another deferred to the January meeting subject to planning permission. These Projects included a Solar and Battery system to be installed in Moylegrove and another in Slebech and also efficiency improvements to be made to a dairy unit in Lawrenny. NP will host a workshop day in conjunction with Nature Friendly farming network at Canolfan Llwynhirion on the 24th of October highlighting gains in soil health and water run off. A new window for the Traditional Boundaries scheme will open in October with expressions of Interest to be submitted before the 13th of November.</p>
P1	Nature Network Fund - Mewn Dau Gae – Achub Brith y Gors (S6)	Green	Green	→	<p>Progress Status: Complete/ On Track</p> <p>September was the final month of this project. Balsam clearance was completed across sites. The balsam in the Wern catchment is receiving ongoing funding from the Nature Partnership so that work can continue beyond September. Knotweed was treated at 6 sites and vegetation cutting was done at another site. Fencing was completed at 2 sites and fencing repairs at another site. At Ty Canol, Pathways volunteers did the most difficult stretch of fencing through dense willow scrub, so that the habitat could be left for Willow tits. No Fence collars have been bought for cattle at Caerwen, so they can graze the SSSI woodland to benefit lichens in addition to managing the marshy grassland. Pathways volunteers planted Succisa plugs at three sites to further improve the habitat for Marsh fritillaries.</p>
P1	Dawnsio ar y Diben SMS – Implementation of Coastal project work programme (S6)	Green	Green	→	<p>Progress Status: Complete / On Track</p> <p>Project is now complete and claim has been received.</p>

Action		2023/24 August	2023/24 Current Period – September		
		RAG	RAG	Trend	Comments
P1	SLSP: National Park Decarbonisation Project (3 Year Project)	Green	Green	→	Progress Status: In Progress / On Track SLSP Decarbonisation work on track. Greening Agriculture and SDF spend nearly fully allocated 23/24. Wales Energy Services report received for decarbonisation / renewables for Authority buildings which will utilise the SLSP funding.
P1	Collation and Submission of 2022/23 Carbon emissions re Welsh Government Net Zero Reporting.	Green	Green	→	Progress Status: Complete / On Track Annual carbon emissions submission for 2022/23 submitted to Welsh Government on 30th of August in advance of 4th September deadline. Submission peer reviewed by PCC. Cross year analysis captured in Annual Report on Meeting Well-being Objectives. Facilitation of collation of data will now move from performance and compliance officer to decarbonisation team.
C	Strategic Engagement - Participation in Climate Strategy Panel and PSB activities.	Green	Green	→	Progress Status: In Progress / On Track Authority represented on local and national groups.
P2	Initial review of relevant decision-making templates, business and project plans, templates, policies and procedures to support embedding carbon reduction across Authority activities.	Green	Green	→	Progress Status: In Progress / On Track Review of documents started. Including ICT user policy, waste and procurement.

↑ Improving Trend → Static Trend ↓ Worsening Trend BM= Benchmarked against previous year BD= Baseline Data

Performance Report – Corporate and Resources Plan 2023/24 (April – September)

P1	Installation of Electric Vehicle Charging Points.	Amber	Amber	→	Progress Status: Complete / Behind Installation of EV Charging project complete. The system is fully operational and complete. Outstanding issues relate to standing charges.
P1	Capital Programme - PV installation at Cilrhedyn.	Amber	Amber	→	Progress Status: In Progress / Behind Consultants report updated due some potential additional grid export capacity, tender documents to be amended and revised scheme approved. Should approval be received project expected to be tendered later in the year once resource is available (to be considered with WGES report).
P1	Capital Programme - Detailed decarbonisation feasibility survey and report to ensure our buildings contribute to meeting our Net zero objectives.	Green	Green	→	Progress Status: In Progress / On Track WGES currently working with PCNPA to look at the energy use in our buildings etc. to highlight areas of carbon reduction / introduction of sustainable technologies including their viability. An options report has been completed and will be presented to Management Team.
P2	Review of Authority's Procurement policy and strategy documents, commissioning templates and tender evaluations to support embedding decarbonisation best practice	Amber	Green	↑	Progress Status: In Progress/ On Track Successful meeting has been held with WRAP Cymru who may be able to offer some support looking at the Authority's procurement activity. Awaiting timeframe and costing for this.
P2	Fleet Decarbonisation Activities	Green	Green	→	Progress Status: In Progress / On Track New decarbonisation officer in place, tasked will creating decarbonising fleet action plan.
P3	Centres activities to support biodiversity, carbon and waste reduction, sustainable retail practices and promoting decarbonisation behaviour change messages (S6).	Green	Green	→	Castell Henllys – Progress Status: In Progress / On Track The boardwalk is still not ready for public use, but officers have been working with volunteer to lay clay in the bottom of the pond, and also rejuvenating the barefoot trail, which is a great way of engaging the visitors with nature. It has been in use over the last year but was starting to look tired. OYP – Progress Status: In Progress / On Track

Performance Report – Corporate and Resources Plan 2023/24 (April – September)

					<p>The set up for e-bike scheme is continuing to progress towards its launch.</p> <p>Carew – Progress Status: In Progress / On Track</p> <p>Throughout 2023 we have been working on a number of grant funded projects to further enhance the biodiversity of the site. These projects include planting a 213m native hedge (rewilding a strip of farmland adjacent to our carpark) as part of the Traditional Boundaries scheme and planting approx. 40 specimen trees on neighbouring farmland. We also have funding from Local Places for Nature for fruit trees, pollinator friendly plants, seeds, planters and interpretation etc. to enhanced the Castle's Walled Garden. We will soon be renewing our application for the Green Key Award, which the site has held for many years. We have been nominated for the 'Sustainable Tourism' Award a this year's Visit Pembrokeshire Awards.</p>
P1	Tree Planting Scheme to commemorate 70 years of NP designation with Community, town and city councils. (S6)	Green	Green	→	<p>Progress Status: In Progress / On Track</p> <p>Rangers are meeting with a small number of communities about planting schemes to take place this winter.</p>
P1	Trees and Woodland Siting and Design Guidance	Green	Green	→	<p>Progress Status: In Progress / On Track</p> <p>Proposed amendments to the SPG, arising from consultation, were agreed by the NPA on 20th September.</p>
P2	Interventions to support Commons Resilience including work linked to National Peatlands Action Programme. (S6)	Green	Green	→	<p>Progress Status: In Progress / On Track</p> <p>Vegetation cutting took place on an enclosed common at Rhosfach. Most peatland sites are likely to be too wet to cut this autumn.</p>
P1	Creation of Community Woodland (SLSP) (S6)	Green	Green	→	<p>Progress Status: In Progress / On Track</p> <p>Fencing is due to be installed at Pen Parcau in the near future.</p>
C	Explore opportunities through partnerships to develop projects that can support/ enhance carbon	Green	Green	→	<p>Progress Status: In Progress / On Track</p> <p>The Natur am Byth! project commenced a 4-yr delivery phase on 1st September.</p>

Climate – PNCPA Impact Case Study

Lloches Solar Beiciau Clydau / Clydau Solar Bike Shelter

Teams Involved: Decarbonisation (SDF Project)

What issue was addressed: Previously, the group had no covered secure bike shelter, charging facilities for electric bikes, or drying room for cycle clothing.

What was achieved:

The grant has enabled the centre to have a community bike shed and solar powered drying room. The bike space has capacity for 10 cycles, along with an electric bike charge point. There is also plenty of room to hold workshops or extend the cycle capacity. The shipping container has also been converted into a drying room.

Three solar panels were installed on the roof, with an inverter to convert the power into energy and a battery system to allow storage for later. LED lights are fitted in the drying room and corridor and a dehumidifier is available to dry clothes.

Those involved: Canolfan Clydau. SDF team and SDF Committee Members. Cwm Arian Renewable Energy (CARE)

Feedback /Longer Term Impact:

Feedback from Canolfan Clydau Project Manager: “We are all very grateful for this grant, it has enabled us to achieve the community's ambitions as well as provide a low carbon sustainable transportation hub at the centre.”

Local school children have embraced the space and are regularly cycling to school. Staff and community centre visitors similarly regularly use the bike shed. Additionally, there are a number of electric bike cyclists who regularly use the space and the charging point in the bike shed.

Climate – PNCPA Impact Case Study

Electric vehicle charge point project – collaboration with Pembrokeshire County Council

Teams Involved: Decarbonisation.

Performance Report – Corporate and Resources Plan 2023/24 (April – September)

What issue was addressed: Low carbon transport in and around Pembrokeshire is a challenge, due to limited public transport options or safe cycling routes. Previously, there was also limited access to EV charging in the county and Park, reducing likelihood of uptake of EVs by the public.

What was achieved:

74 charging points were installed at 17 sites around Pembrokeshire. Pembrokeshire now has a total of 172 charge points.

The project has resulted in the Pembrokeshire Coast having the highest number of EV charge points available in any National Park in the UK. On 1st July 2023 Pembrokeshire was the #1 local authority in Wales for availability of EV charge points, having the most numerically and per head of population. Pembrokeshire is also in the top 20% UK-wide.

Sites included: Castell Henllys; Withybush Depot; Llanion Park; Oriol y Parc Visitor Centre and Gallery; Porthgain Harbour. A full list of sites, is available on [following map](#).

Those involved: The project was funded by the Welsh Government and delivered by Narberth-based Silverstone Green Energy. PCNP involvement was led by Building Projects Manager, and PCC involvement by SD & Energy Manager.

Timescale: The project was completed in 2023. The Authority worked in partnership with Pembrokeshire County Council over a number of years to improve EV infrastructure around the county as part of nationwide efforts to facilitate the transition to a low carbon future.

Longer Term Impact:

It is hoped that this project will lead to a long-term improvement in the numbers of people using EVs. We will be monitoring usage at different sites to see where charge points get the most usage and adjust our offering accordingly.

Action		2023/24 August	2023/24 Current Period – September		
		RAG	RAG	Trend	Comments
P1	West Wales Walking for Well-being partnership project (Final Year).	Green	Green	→	Progress Status: In Progress / On Track Walking groups continued during September. In Pembrokeshire there are now a total of 7 Walking for Wellbeing groups walking regularly at Kilgetty, Solva/St.Davids, Carew Castle, Dementia Walks Pembs, Narberth, Stepside, VC Gallery Pembroke Dock, VC gallery Haverfordwest.
P1	Brilliant Basics: Beach Access/ Wheelchairs Project	Green	Green	→	Progress Status: In Progress / On Track During September we received a generous donation from Pembrokeshire Access group in memory of Alan Hunt that

↑ Improving Trend → Static Trend ↓ Worsening Trend BM= Benchmarked against previous year BD= Baseline Data

Performance Report – Corporate and Resources Plan 2023/24 (April – September)

					will go towards purchasing a new Rollator. During September RNLi hosts at Whitesands has moved to weekends only, Traeth Mawr/Newport Sands has finished for the year, officer trying to find winter hosts for these areas. Joe's Diner who have previously only offered summer hosting will be offering weekend winter hosting. Coppet hall who had previously offered summer hosting are considering taking the equipment on as a hub approach to offer a year long service. Saundersfoot Harbor will be taking on responsibility for equipment previously hosted by the Stone Crab this means we can increase our equipment offer in this area.
P1	Carew Castle Access Project	Amber	Amber	→	Progress Status: In Progress / Behind This project has been delayed and is still in the initial stages of planning. A brief has been written; an architect has been engaged. Detailed plans have been drawn up for the various elements of the project, including a number of phases. We are now waiting for amendments to the plans to be completed following meetings. As soon as the plans are finalised, they will be submitted for the relevant consents.
P1	Pathways Project (Final Year)	Green	Green	→	Progress Status: In Progress / On Track The Pathways project is externally funded and in order for the project to be extended beyond the current financial year, new sources of grant aid and support will be required. The project is part of a portfolio of initiatives for which the NPA's funding team are seeking support. In September, there were 6 Pathways volunteer sessions, the main focus of which was conservation work including scrub management and some fencing.
P1	Roots to Recovery Project (in Partnership with MIND Pembrokehire)	Green	Green	→	Progress Status: In Progress / On Track September marked the end of the 2nd year of the Roots to Recovery project, with the Big Lottery funded initiative having a further year of funding available. The programme of volunteering and 'discovery' activity continued in September with groups/hubs active in Pembroke/Pembroke Dock and

↑ Improving Trend → Static Trend ↓ Worsening Trend BM= Benchmarked against previous year BD= Baseline Data

Performance Report – Corporate and Resources Plan 2023/24 (April – September)

					Haverfordwest. The project aims to start a new group in the Autumn based in the Bloomfield Centre, Narberth. At the Mentors meeting in September there was a review of project task descriptions, risk assessments and agreement on Code of Conduct for Roots to Recovery participants and volunteers.
P2	Responding to Experiences for All findings	Amber	Amber	→	Progress Status: In Progress/ On Hold Our new Health and Wellbeing Officer took up post this month and will lead on this area of work.
C	Co-ordinate the West Wales Nature Based Health Service Network	Amber	Green	↑	Progress Status: In Progress / On Track Our new Health and Wellbeing Officer took up post this month and will lead on this area of work.
P1	First 1000 days pilot	Green	Green	→	Progress Status: In Progress / On Track In September, sessions for parents and pre-school children resumed at the Meads Primary School in Milford Haven. The project makes use of an accessible area of woodland on the edge of the school grounds, which is also adjacent to the Flying Start facility in Milford Haven. This provides a more accessible space to be involved in outdoor play for young children. At present 4-5 families attend on a regular basis. Sessions at the Meads will continue on a weekly basis until the end of the year. There was also a resumption of sessions at pre-school settings across the County. This programme of activity is funded through the County Council's Early Years team and an Early Years Intervention Grant. The aim of the sessions is primarily to support settings and their staff to enable more outdoor activity for young learners. Sessions will be delivered throughout the year.
P1	Roots (Gwreiddiau) Project	Green	Green	→	Progress Status: In Progress / On Track Preparation of St Brides for series of apple events. Roots time and budget supporting availability of site for other engagement events (public apple day, 1st 1000 days, Volunteering, Pathways etc.) Edits to Roots film by Mother Goose production co. Designated Landscape learning resource project (Tirlun) Professional learning community

↑ Improving Trend → Static Trend ↓ Worsening Trend BM= Benchmarked against previous year BD= Baseline Data

Performance Report – Corporate and Resources Plan 2023/24 (April – September)

					workshop held at Johnston school - well represented by schools in the Milford/roots cluster. Meeting held with PCNP Trust and PR team at SHLNG.
P1	Pembrokeshire Outdoor Schools	Green	Green	→	Progress Status: In Progress / On Track In September the work of the partnership was focused on the PODS celebration event which was attended by 10 Pembrokeshire Primary Schools at Scolton Manor. Schools attending were nominated by partners for activity over the course of the year and were awarded with a plaque and locally made wooden sculpture. 150 children were present and the event was also attended by the Chief Executive and Chair of the Authority as well as the Welsh Government's Minister for Education and Welsh Language, Jeremy Miles. The PODS Co-ordinator presented an update to the Authority's Operational Review Committee in September. The Chair of the PODS partnership wrote to the Director of Education at Pembrokeshire County Council seeking a meeting to discuss ongoing support for Pembrokeshire Outdoor Schools.
P1	SLSP: Designated Landscape Education Project (Working with all Wales designated landscapes on collaborative education resource project funded through SLSP. PCNPA are the lead organisation)	Green	Green	→	Progress Status: In Progress / On Track In September the first PLC meetings were held with groups of teachers in the Designated Landscape areas - starting the process of creating the resources for learning that will become available at the end of the project. Consultants met with the Leads from the 8 designated Landscape Areas to provide an update on progress to date on the project whilst the Outdoor Schools Co-ordinator presented the project to a meeting of Wales Council for Outdoor Learning.
P2	Delivery of Safeguarding Publicly Accessible Ancient Monuments Scheme	Green	Green	→	Progress Status: In Progress / On Track During September, the heritage volunteers carried out 12 visits to scheduled monuments, also felling work commenced on an Authority owned promontory fort. In addition, discussions/planning was underway for work at several sites over autumn/winter 2023/24.

Performance Report – Corporate and Resources Plan 2023/24 (April – September)

P2	Annual Archaeology Day	Green	Green	→	Progress Status: In Progress / On Track During September, a planning meeting took place at Pembrokeshire College, also bookings opened for the event and this was publicised via the Archaeology Mailing List and through the Authority's social media platforms. National Park volunteers have been recruited to support the event, a number of exhibitors will be attending and catering has been booked.
P1	Archaeology Interpretation Project - Delivery of content for three sites	Green	Green	→	Progress Status: In Progress / On Track During September, the final version of the physical interpretation panel for the Old Castle, Newport was produced by the graphics team. This version has now gone to print and will be installed on site in due course. Work is also underway to produce the webpages for the sites.
P3	Develop a range of digital and supplementary online materials for exhibitions at OYP, to help more people to engage with art works on display	Green	Green	→	Progress Status: In Progress / On Track Monthly competitions to support Geiriau Diflanedig – The Lost Words exhibition continuing on social media. A slideshow of poems and drawings, shared via the poetry box trail, is also being created to be made available on the website.
C	Collaborating with others on Community Archaeology excavations and projects in the Park	Green	Green	→	Progress Status: In Progress / On Track During September, the Authority supported UCL's Stones of Stonehenge project excavation in the Preseli. This included borrowing excavation equipment and recruitment of volunteers. In addition, the community archaeologist delivered guided tours of the excavation to the public. Also, during the month, the community archaeologist led an archaeology guided walk in partnership with colleagues from the RCAHMW around the St David's Head peninsula exploring its archaeological heritage.
P1	Dawsio ar y Diben SMS - Analysis of LIDAR survey and associated activities	Amber	Amber	→	Progress Status: Complete/ Behind During August, the complete dataset was analysed/ processed by an external specialist and visualisations were produced with the data. This work is now complete and the

Performance Report – Corporate and Resources Plan 2023/24 (April – September)

					citizen science element will be developed outside the scope of the project as a longer term community/public opportunity.
C	Collaboration and activities with partners via Heritage Watch Scheme	Green	Green	→	Progress Status: In Progress/ On Track During September, a number of heritage crime incidents were highlighted. This resulted in site visits to assess the heritage crimes identified on Carn Ingli common. Two incidents were reported to Dyfed-Powys Police and Cadw and discussion is underway to undertake repair work. Also, a Heritage Watch meeting took place with key partner organisations.
P3	Development of new footpath links and circular walks	Green	Green	→	Progress Status: In Progress / On Track National Park Authority staff are continuing to work with the Ramblers' Paths to Wellbeing project in the Brynberian locality to reinstate four public footpaths and create new circuit walks. Work ongoing.
C	Collaborate with PCC on delivery of RWIP and facilitation of Local Access Forum	Green	Green	→	Progress Status: In Progress / On Track Agenda in preparation for next Local Access Forum meeting to be held in 5th October. The Pembrokeshire ROWIP is being used as the basis for NP Delivery Plans.
C	Participating in developments re access guidance and review of access forum regulations	Green	Green	→	Progress Status: In Progress / On Track Following advice from the Local Access Forum, we are responding to NRW's recreational strategy consultation. Research commissioned by Welsh Govt has been published in relation to measures to reduce dog worrying livestock, it remains to be seen if WG will respond to calls to legislate during this Senedd term on the need to keep dogs on leads in the vicinity of livestock. Revision of Local Access Forum Regulations has begun and PCNPA is responding to Welsh Govt accordingly. Welsh Government consultation is also expected in autumn on Sustainable Farming Scheme post Brexit agricultural support measures - possible option for PROW improvements as part of package of support measure and obligations.

		RAG	RAG	Trend	Comments
P1	Review of Recreation Management approach, activities and responsibilities to take account of organisational changes.	Green	Green	→	Progress Status: In Progress / On Track An Internal Recreation Group has been established, chaired by the Director of Nature and Tourism, to provide a steer to this work. PCNPA is currently liaising with a wide range of stakeholders to review the 2023 summer season. Key partnerships contributing to this work include the Pembrokeshire Beach Liaison Group, Pembrokeshire Water Safety Forum, Wales Beach Managers Group, Milford Haven Waterway Recreation Group, Castlemartin Range Access and Recreation Group, Pembrokeshire Outdoor Charter Group and several others. The results will then be used to create areas of collective priority and action ahead of the 2024 season.
C	Collaborate with destination management partners to ensure a shared regenerative tourism approach to destination promotion is delivered for the Park (S6)	Green	Green	→	Progress Status: In Progress / On Track PCNPA is working closely with Visit Pembrokeshire, as the Destination Marketing Organisation (DMO), to constantly review our collective promotional approach throughout 2023/24. Joint meetings are regularly organised by Visit Pembrokeshire to ensure that the

					visitor pressures on local communities and infrastructure are carefully managed.
P1	Celtic Routes Partnership Project	Green	Green	→	Progress Status: Complete/ On Track The Celtic Routes initiative finished at the end of July. The last claim will be end of Sept as all EU funded projects have a close down period to allow for invoices to be defrayed. No invoices are planned during this period but the 'buffer zone' will last from July – Sept just to ensure that all financial matters are closed as the project comes to an end.
P1	Ancient Connections Partnership Project	Green	Green	→	Progress Status: Complete / On Track The Ancient Connections initiative finished at the end of July. The last claim will be end of Sept as all EU funded projects have a close down period to allow for invoices to be defrayed. No invoices are planned during this period but the 'buffer zone' will last from July – Sept just to ensure that all financial matters are closed as the project comes to an end.
P2	Implement Dark Skies Pembrokeshire Project	Green	Green	→	Progress Status: In Progress / On Track Following scrutiny of the Ridge report a shortlist of the most feasible retrofit projects has been submitted to Ridge for further investigation and specific design work prior to implementing changes. Dark Skies Officer has begun approaching organisations and businesses on the report to establish interest in the project. Bat surveys have been carried out at three potential retrofit sites as part of the SLSP program to monitor any affect the retrofit lighting changes may have on bat activity at those sites. Funding opportunities are being sought to assist with the extensive retrofit work necessary to PCNPA properties in order for PCNPA to lead by example.
P2	Re-positioning Oriel y Parc as Discovery Centre and implementing its interpretation plan	Green	Green	→	Progress Status: In Progress / On Track In August VSM attended first meeting of the internal working group set up by the Head of Regenerative

					Tourism. The group discussed potential funding opportunities and first steps towards developing a full feasibility study.
P2	Develop a framework to support the Authority to work more closely with National Park communities and Community, Town and City councils to better understand and support local priorities	Green	Green	→	Progress Status: In Progress / On Track Approaches to this work are being considered as part of the Delivery Plan process.
C	Continue to engage with PSB on delivery of its Well-being Plan and poverty in Pembrokeshire Work	Green	Green	→	Progress Status: In Progress / On Track Our new Health and Wellbeing Officer took up post this month and will lead on this area of work.
P1	Facilitation of Youth Committee and Next Generation Activities	Green	Green	→	Progress Status: In Progress / On Track The September Youth Rangers session was held at St. Brides Orchard and supported by South West Ranger, it was in part a 'goodbye' to YR's departing to University at the end of the Month. The were 2 Next Gen Youth Committee meetings in September. Discussions around a review of the Youth Manifesto continued, the group contributed to a Welsh Government consultation of Wales' Child Poverty Strategy and plans were put in place for the visit (to Pembrokeshire) of Bannau Brycheiniog (Brecon Beacons) Youth Wardens in October.
P3	Centres engagement activity with local communities.	Green	Green	→	Oriel Y Parc – Progress Status: In Progress / On Track Community engagement continued this month with the Wild Wellbeing, Milford Haven/Value Independence group visiting for a workshop to give their feedback about The Lost Words exhibition and offer suggestions on making future exhibitions even more inclusive. The Education Team and Ranger (West) have been working with local artist to develop resources for schools to use before, during and after visiting The Lost Words exhibition. Both the Ranger and Nature Recovery

					<p>Teams held team meetings in the Discovery Room. We also continue to engage with our local community by attending the St Davids Peninsula Tourism and Trade Association meetings.</p> <p>Castell Henllys - Progress Status: In Progress / On Track</p> <p>Groups have been using the tipi for meetings (Cymraeg i Plant Penfro, Merched y Wawr, local chapel) Local people have kept using the cafe as a weekly call in site, with new locals using the site each week.</p> <p>Carew – Progress Status: In Progress / On Track</p> <p>We continue to engage with our local community through regular communication with the Community Council, local businesses and members of the local community. We have been assisting smaller attractions and charity groups in our local community with promotion of their fundraising events. The 'Walking for Wellbeing' group meet at Carew, and walk the paths surrounding the site weekly and then use our Tearoom for refreshment. Our volunteer team continues to go from strength to strength, working alongside our team on a variety of projects. Our 2023 events programme was attended by many local people, particularly events such as Kids Rule the Castle and Doggy Day Out. Our new event 'Unearthing History' focussed on the historical and archaeological history of Pembrokeshire, and was attended by many community organisations including DAT, Pembroke Dock Heritage Centre, Tenby Museum, Carew Cheriton Control Tower amongst many others. In mid September we hosted a second 'High Tea and Tour' event which sold out and was attended by all local people.</p>
C	Joint curation of Exhibitions with Amgueddfa Cymru/ National Museum Wales	Green	Green	→	<p>Progress Status: In Progress / On Track</p> <p>Planning for the RNLI at 200 exhibition continues with a kick off meeting for the interpretation phase. PCNPA</p>

					Interpretation Officer presented an outline of the exhibition narrative at meeting.
P3	Activities to realign our education offer with the New Curriculum, focusing on ‘Cynefin’ and linking with the Humanities What Matters statements	Green	Green	→	Progress Status: In Progress / On Track Continued support from Friends of PCNP for Cynefin Discovery Days. Preparation of report to FPCNP AGM. Finalising and marketing curriculum linked Lost words visit to Oriel y parc
P2	Developing Castell Henllys as a Welsh Language Hub	Green	Amber	↓	Progress Status: In Progress / Behind Castell Henllys ran into more difficulty with Welsh speaking staffing, in regards to school visits, we are still able to offer the school programme through the medium of Welsh, but not fully, therefore some sessions have had to be bilingual, we need to maximise the amount of Welsh speakers we have on site. The cafe was able to open more consistently and the Stori a Chan group continued to visit. It’s nice to see these local Welsh speaking groups using the site to their advantage. we also held a session in the tipi ran by a local chapel, which was fully through the medium of Welsh, with members of the public listening to bits of it, a very important thing for visitors to experience. We also had a large amount of Welsh learners calling into the cafe to use the site as a centre to practice their Welsh.
P1	Review of Welsh Language Strategy	Amber	Amber	→	Progress Status: In Progress / Behind Meeting of Working Group arranged for 10/10/23 with the aim of presenting the Strategy to the NPA in December.

Performance Report – Corporate and Resources Plan 2023/24 (April – September)

					Wales published their Income Diversification for National Park Authorities in Wales report looking at areas across three Authorities, supplementing the previous individual reports for each Authority. Following change in performance auditors, a meeting was held to meet with the new set of auditors. Documentation collation began and started to be sent across to Audit Wales to inform the Equality and Diversity Audit.
P1	Develop business continuity approach informed by our COVID 19 response experience	Green	Green	→	Progress Status: In Progress / On Track Draft BCP plan has been prepared and shared with leadership team for comment.
P1	Respond to Internal Audit Recommendations.	Green	Green	→	Progress Status: In Progress / On Track Agreed recommendations being implemented. Internal Audit Action Log created for Audit and Corporate Services Committee to help monitor progress against agreed actions.
P1	Undertake a review of management of health and safety [AGS]	Green	Green	→	Progress Status: In Progress / On Track All updated Health and Safety policies have been through the Management Team, with no queries or issues raised. The Contractor Management Policy will go before the Management Team in October and then to the Audit Committee in November. The Fire Risk Assessments for Withybush depot, Cilrhedyn and Carew Workshop have been completed and the plan is to manage out any high risks between now and the end of the year, with live release of the documentation for the 1st Jan 2024. A trial of an alternative HAVS monitoring system was conducted in September (Reactec R-Link system) and a paper to update senior management has been started to summarise the results as well as provide options for future monitoring for the Authority. Warden team (North) visits have started this month and will continue to cover the other teams. These visits are in place to collate opinions and

					inspect workers during their activities. The first IOSH Managing Safely course started at the end of September, with all four students passing the course with flying colours and this will uplift the line management knowledge and responsibilities for Health and Safety across the Authority.
P1	Record Management Project - to improve record management across the Authority and Support move to Sharepoint [AGS]	Amber	Amber	→	Progress Status: In Progress / Behind Monthly catch up meetings with new set of officers from relevant teams has been put in place to support delivery of project and provide space for problem solving activities to support progression of it. This group drew up plan to help address F/Drive and impact of restructure, plan has been approved by Management Team and will involve a phased process. Review of records of processing reflecting new structure underway.
P1	Corporate Improvement Project on Management and Communication of Corporate policies and Standards [AGS]	Green	Green	→	Progress Status: In Progress / On Track Work progressing on updating policies into new templates following meetings held with policy area leads, with particular focus this month on Health and Safety Policies. Work undertaken on new intranet site, with written copy uploaded for relevant sections within Corporate Document section and test uploads of documents and categorisation carried out.
P1	Test and pilot further approaches to improve our corporate accessible communications offer	Amber	Amber	→	Progress Status: In Progress / On Hold Following discussion at Engagement Action Plan Group Meeting in January this work has been placed on hold due to organisational changes. Wider service area work is ongoing in some areas, including signalong activities and development of Easy Read photo consent form. Potential for us to explore elements of this work through the Corporate Improvement Project on Management and Communication of Corporate policies and Standards through looking at what documents need to be readily

					available in particular formats and also what additional policies or procedures we need corporately in terms of this area of work. Also deliverables within Communications, Engagement, Involvement and Learning about the Park, Governance and Decision Making Delivery Plans should also support work in this area.
P1	Test and pilot further approaches to improve our Website accessibility	Amber	Amber	→	Progress Status: In Progress / Behind Ongoing monitoring continuing. More work on PDFs required but more staff now creating new reports in HTML.
P1	Annual performance report on Welsh Language Standards	Green	Green	→	Progress Status: Complete / On Track Annual Report submitted June 23
P1	Integrate equality training and awareness into the Training and Development Plan for the Authority.	Amber	Amber	→	Progress Status: In Progress / Behind As part of the Pay and Grading Procedure all staff involved in job evaluation must have completed equality training and awareness prior to being a panel member. All documentation will exclude information that will identify the employee at the initial evaluation stage to minimise the risk of unconscious bias.
P1	Annual Equality report	Green	Green	→	Progress Status: In Progress / On Track Equality Annual Report 2022/23 incorporated into the draft Annual Report on Well-being Objectives, which was approved at the September NPA.
