The guidance document on Cumulative Impact of Wind Turbines covers the whole of Pembrokeshire. The rest cover the Pembrokeshire Coast National Park only.

A public consultation on the guidance started in early January 2022 and ended on the 15<sup>th</sup> April 2022. A formal notice was published in the Western Telegraph and Pembrokeshire Herald advertising the consultation and a press release advertising the consultation was also sent to local papers and radio outlets. Electronic copies were made available on our websites with paper copies available at Llanion Pembrokeshire Coast National Park Head Quarters in Pembroke Dock and at Oriel y Parc, St Davids. The consultation period for all documents ran until 4.30pm on 15 April 2022. A reminder of the impending closing date for comments was placed in a press release in mid-March 2022. Consultees on the Local Development Plan database were either sent an email or letter of consultation.

All responses were acknowledged, and are publicly available (except for comments on the Loss of Hotels Supplementary Planning Guidance which will be reported at a later date) - see web links below.
