

Conversion table for Impact Assessments

The Partnership Plan approved by NPA on 26th March 2025 included workstream action references that did not run consecutively. This was necessary to preserve consistency between the initial and final impact assessments.

In the published Partnership Plan, action references do run consecutively. The table below enables conversion between stage 1 (consultation draft) and final published version of the Partnership Plan.

Where a stage 1 reference has been changed, the stage 1 reference is coloured red.

This table should be used in conjunction with the published:

- Equality Impact Assessment
- Habitats Regulations Assessment
- Sustainability Appraisal and Strategic Environmental Assessment
- Welsh Language Assessment
- Well-being of Future Generations Assessment
