

REPORT OF MONITORING OFFICER

SUBJECT: MEMBER DISPENSATIONS

The authority has 2 new Members. They are Councillor Stanley Hudson of Milford Haven, who was appointed on the 1st June 2013 and Councillor Owen James of Scleddau who was appointed on the 18th July 2013. Members will recall the longstanding practice whereby members of Pembrokeshire County Council have been granted dispensation to speak and vote on applications made by Pembrokeshire County Council, provided they have no reasons to declare any personal and prejudicial interest other than their membership of Pembrokeshire County Council. The agenda for the meeting of this Committee on November 2012 set out the basis of this need for a dispensation granted by this Committee.

Recommendation

That Councillors Hudson and James be granted dispensations to speak and vote on matters relating to Pembrokeshire County Council provided that they have no other reason to declare any personal or prejudicial interest other than their membership of Pembrokeshire County Council
