

REPORT OF MONITORING OFFICER

**SUBJECT:
MEMBER LOCAL RESOLUTION PROTOCOL**

Members will recall that the Authority approved a Member Local Resolution Protocol on the 11th December 2013, when it was also agreed that it would be reviewed in May 2015.

No complaints have been received which required the initiation of this protocol during the period in question. Should a situation arise in future where the protocol needs to be initiated, we will take the opportunity to review whether the process is fit for purpose.

Recommendation

That Members note this report.
