

REPORT OF ADMINISTRATION & DEMOCRATIC SERVICES MANAGER

SUBJECT: INDEPENDENT REMUNERATION PANEL FOR WALES DRAFT ANNUAL REPORT 2016/17

Purpose of Report

To inform Members of the consultation draft Annual Report of the Independent Remuneration Panel for Wales on the proposed level of Members' salaries for 2016/17. The deadline for responses to the consultation document is the 30th November 2015.

Introduction/Background

The Independent Remuneration Panel for Wales was appointed in January 2008 by the (then) Welsh Assembly Government Minister for Social Justice and Local Government under the provisions of *The Local Authorities (Allowances for Members) (Wales) Regulations 2007*. The Panel was established on a permanent basis to determine the maximum levels of allowances payable by county and county borough councils.

Following the passing of the Local Government (Wales) Measure on the 10th May 2011, the Panel's remit was extended to include National Park Authorities, Fire and Rescue Authorities and 'civic heads' in local authorities. Not only that, Section 142 of the Measure extended the Panel's powers to enable it to prescribe payments rather than determine the maxima as it had done in the past.

Draft Annual Report 2016/17

Relevant extracts from the Panel's report are appended for Members' information but, in essence, the Panel has decided that there will be no increase in the level of remuneration for the forthcoming year given the continuing constraints on local government spending. However, reimbursement of accommodation costs have increased slightly.

RECOMMENDATION:

Members' opinion is sought as to:

- (a) whether to submit a response to the Independent Remuneration Panel for Wales' draft Annual Report and, if so**
- (b) the content of such a response.**

6. Payments to members of national park authorities

- 6.1 Given the continuing reduction in public sector funding, the Panel has determined there shall be no increase from spring 2016 in the levels of basic salary for members of national park authorities.
- 6.2 The Panel has based its determinations on the following key points:
- NPA members are drawn from two sources. Welsh Government appointees make up one third of the total of members and two thirds are local authority members nominated by constituent authorities.
 - In addition, standards committees of NPAs have co-opted members whose remuneration is included in the framework.
 - Welsh Government appointees and council nominated members are treated equally in relation to remuneration.
 - NPAs manage their work via formal authority meetings, committees and task and finish groups. Each has a Development/Management/Planning Committee and other committees include Performance and Resources and Audit and Scrutiny. Ordinary NPA members are members of at least one committee as well as being involved in site visits and inspection panels.
 - There is an expectation that members will participate in training and development.
 - The chair of an NPA has a leadership and influencing role in the authority, a representational role similar in some respects to that of a civic head and a high level of accountability. The chair is not only the leader of the authority but is also the public face of the particular national park and is the link with the Minister and AMs with whom they have regular meetings. The role requires a high level of commitment and time.

Basic and senior salaries

- 6.3 The Panel has previously determined that the role of ordinary members of a NPA warranted alignment to the basic salary of a member of a principal council, to be paid for a time commitment of 42 days per year. This continues to underpin its determinations.
- 6.4 The payment of NPA and FRA chairs is set on the same basis (See Section 7). The remuneration of the chair has been aligned to that part of a Band 3 Level 1 senior salary received by a committee chair of a principal authority.
- 6.5 The Panel decided in 2014 to provide local flexibility so that an NPA can decide at which of two levels the roles of deputy chair and other committee chairs can be remunerated. An NPA may choose to pay its deputy chair and/or committee chairs a salary of either £7,300 or £6,000, commensurate with the duties to be discharged in a particular role.

6.6 The Panel has determined that up to two NPA committee chairs can be remunerated.

The Panel has made the following determinations:

Determination 24: The basic salary for NPA ordinary members should be £3,600 ($42/156 \times £13,300$)

Determination 25: An NPA senior salary can be paid to the chair, deputy chair, and up to two committee chairs.

Determination 26: The senior salary of the chair of an NPA should be £12,300

Determination 27: The senior salary of a deputy chair and chairs of NPA committees can be paid at either of the following levels to be decided by the authority to reflect the appropriate responsibility:

£6,000 or £7,300

Determination 28: Members must not receive more than one NPA senior salary.

Determination 29: An NPA senior salary is paid inclusive of the NPA basic salary.

Determination 30: Members of principal local authorities in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA to which they have been appointed.

Reimbursement of travel, subsistence and care costs when on official business

Reimbursement of mileage costs

6.7 The Panel has decided that there will be no change to mileage rates which members are entitled to claim. All authorities may only reimburse travel costs for their members undertaking official business within and/or outside the authority's boundaries at current HMRC rates which are:

45p per mile	Up to 10,000 miles in a year by car
25p per mile	Over 10,000 miles in a year by car
5p per passenger per mile	Passenger supplement
24p per mile	Motor cycles
20p per mile	Bicycles

6.8 Authorities should pay mileage at the prescribed rates to a member who has been a passenger in a vehicle driven by someone else provided the authority is satisfied that a cost has been incurred by the member.

Reimbursement of other travel costs

6.9 All other claims for travel must only be reimbursed on production of receipts showing the actual cost, and are subject to any requirement or further limitation that an authority may determine. Members should always be mindful of choosing the most cost effective method of travel.

6.10 The Panel noted that in some instances members with disabilities have been reluctant to claim legitimate travel expenses because of an adverse response following the publication of their travel costs. This is not the case in those authorities where travel arrangements are made directly by the authority.

Reimbursement of subsistence costs

£28 per day	Day allowance for meals, including breakfast, where not provided in the overnight charge
£200 per night	London
£95 per night	Elsewhere
£30 per night	Staying with friends and/or family

6.11 These rates are in line with Welsh Government rates. Recommended practice is that overnight accommodation should usually be reserved and paid for on behalf of members by the relevant authority, in which case an authority may set its own reasonable limits and the limits which apply when an individual member claims in arrears for overnight accommodation costs do not then apply.

6.12 All authorities must continue to reimburse subsistence expenses for their members up to the maximum rates set out above on the basis of receipted claims except for occasions when members stay with friends and/or family.

6.13 There may be instances where an authority has determined that travel costs within its boundaries are payable and require a journey to be repeated on consecutive days. Where it is reasonable and cost effective to reimburse

overnight accommodation costs, instead of repeated daily mileage costs, then it is permissible to do so.

- 6.14 It is not necessary to allocate the maximum daily rate (£28 per day) between different meals as the maximum daily rate reimbursable covers a 24 hour period and can be claimed for any meal if relevant, provided such a claim is accompanied by receipts.

Reimbursement of costs of care

- 6.15 All authorities must provide for the reimbursement of necessary costs for the care of dependent children and adults (provided by informal or formal carers) up to a maximum of £403 per month. Reimbursement shall only be made on production of receipts from the carer. (See Determination 8)
- 6.16 The reimbursement of cost of care allowance is intended to enable any person whose ability to participate as a member of an authority would be limited by their responsibilities as a carer. The Panel recognises that there is some sensitivity concerning the publication of this legitimate expense. However the Panel urges authorities to promote this allowance and encourage greater take-up of this support to facilitate increased engagement amongst authority members.
- 6.17 Such provision would be especially relevant to those individuals in sectors of the population that are currently under-represented in local government but who may become engaged when awareness of the support available for the costs of care becomes more widely known.

8. Payments to co-opted members of principal councils, national park authorities and fire & rescue authorities¹¹

- 8.1 The Panel has determined that a daily/half daily fee is appropriate remuneration for the important role undertaken by co-opted members of authorities. The level of payments is equivalent to the current daily rates for chairs and members of the Welsh Government's Band 2 sponsored bodies. The Panel notes there has been no uplift in these payment levels across such bodies since 2010.
- 8.2 Principal councils, NPAs and FRAs can decide on the maximum number of days in any one year for which co-opted members may be paid.
- 8.3 The determinations are set out below:

Determination 39: Principal councils, NPAs & FRAs must pay the following fees to co-opted members (Table 4) (who have voting rights).

Table 4: Fees for co-opted members (with voting rights)

Chairs of standards, and audit committees	£256 (4 hours and over) £128 (up to 4 hours)
Ordinary members of standards committees who also chair standards committees for community and town councils	£226 daily fee (4 hours and over) £113 (up to 4 hours)
Ordinary members of standards committees; education scrutiny committee; crime and disorder scrutiny committee and audit committee	£198 (4 hours and over) £99 (up to 4 hours)

Determination 40: Reasonable time for pre meeting preparation is eligible to be included in claims made by co-opted members the extent of which can be determined by the appropriate officer in advance of the meeting.

Determination 41: Travelling time to and from the place of the meeting can be included in the claims for payments made by co-opted members (up to the maximum of the daily rate).

Determination 42: The appropriate officer within the authority can determine in advance whether a meeting is programmed for a full day and the fee will be paid on the basis of this determination even if the meeting finishes before four hours has elapsed.

¹¹ This section does not apply to co-opted members of community and town councils.

Determination 43: Meetings eligible for the payment of fees include other committees and working groups (including task and finish groups), pre-meetings with officers, training and attendance at conferences or any other formal meeting to which co-opted members are requested to attend.

Reimbursement of mileage costs

8.4 The Panel has decided there will be no change to mileage rates which members are entitled to claim. All authorities may only reimburse travel costs for their members undertaking official business within and/or outside the authority's boundaries at current HMRC rates which are:

45p per mile	Up to 10,000 miles in a year by car
25p per mile	Over 10,000 miles in a year by car

8.5 Authorities should pay mileage at the prescribed rates to a member who has been a passenger in a vehicle driven by someone else provided the authority is satisfied that a cost has been incurred by the member.

Reimbursement of other travel costs

8.6 All other claims for travel must only be reimbursed on production of receipts showing actual expense, and are subject to any requirement or further limitation that an authority may determine. Members should always be mindful of choosing the most cost effective method of travel.

8.7 The Panel noted that in some instances members with disabilities have been reluctant to claim legitimate travel expenses because of an adverse response following the publication of their travel costs. £28 per day	Day allowance for meals, including breakfast, where not provided in the overnight charge
£200 per night	London

- 8.8 These rates are in line with Welsh Government rates. Recommended practice is that overnight accommodation should usually be reserved and paid for on behalf of members by the relevant authority, in which case an authority may set its own reasonable limits and the limits which apply when an individual member claims in arrears for overnight accommodation costs do not then apply.
- 8.9 All authorities must continue to reimburse subsistence expenses for their members up to the maximum rates set out above on the basis of receipted claims except for occasions when members stay with friends and/or family.
- 8.10 There may be instances where an authority has determined that travel costs within its boundaries are payable and require a journey to be repeated on consecutive days. Where in such a case it is reasonable and cost effective to reimburse overnight accommodation costs, instead of repeated daily mileage costs, then it is permissible to do so.
