DIRECTION MADE UNDER ARTICLE 4(2) – SOLVA CONSERVATION AREA

WHEREAS The PEMBROKESHIRE COAST NATIONAL PARK AUTHORITY (“the Authority”) being the appropriate local planning authority within the meaning of article 4(6) of the Town and Country Planning (General Permitted Development) Order 1995 (“the Order”) are satisfied that it is expedient that the development of the description(s) set out in the First Schedule below should not be carried out on the land described in the Second Schedule below (“the Land”) unless planning permission is granted on an application made under Part III of the Town and Country Planning Act 1990 (as amended).

NOW THEREFORE the Authority in pursuance of the power conferred on them by article 4(2) of the Order and all other powers thereby enabling DIRECTS THAT:

3. This Direction shall expire at the end of six months from the date on which it is made unless it is confirmed by the Authority in accordance with article 6(8)-(9) of the Order before the end of that six month period.

FIRST SCHEDULE

2. The provision within the curtilage of a dwelling house of a hard surface for any purpose incidental to the enjoyment of the dwelling house as such where the hard surface would front a relevant location.
