

REPORT ON BEHALF OF THE PROPERTY & PROJECTS GROUP

SUBJECT: VARIATION OF THE PRE-EXISTING CAR PARK ORDER IN READINESS FOR THE START OF THE 2019 CAR PARK CHARGING SEASON

Purpose of Report

To seek a resolution to proceed with a variation of the pre-existing Car Park Order in readiness for the start of the 2019 Car Park charging season

Background

Members considered a report at their meeting on the 29th November 2017 which summarized the Authority's pre-existing car park operation and resolved to introduce the following new provisions in readiness for the start of the 2019 car park charging season commencing 15th March 2019:

1. Introduce parking charges at 4 additional sites (West Angle, Penally, Amroth and Nolton Haven) which currently operate as free use sites.
2. Extend the period of the charging day across all charging sites by an additional 2 hours from 5pm to 7pm.
3. Increase the daily rate for coach parking across all sites from £3 up to £8

During the early part of 2018 your Officers extended proactive invitations to, and subsequently meet with Angle, Penally, Amroth and Nolton & Roch Community Councils. At each of those meetings it was made clear that your Officers presence should not be interpreted as any form of substitute for the statutory consultation process which would take place during the latter part of 2018. The meetings focused on bullet point 1 above as well as providing a more general outline of the operation of the Authority's charging car park portfolio.

A variation of the Car Park Order currently in force is required to give legal effect to the resolution which Members made on the 29th November 2017. The required Car Park variation order has been prepared by your officers working in consultation with Pembrokeshire County Council in the latter's capacity as the relevant Highway Authority. The title of that document is:

(PEMBROKESHIRE COAST NATIONAL PARK) (OFF-STREET PARKING PLACES)
ORDER 2015-VARIATION ORDER NO.1 (2017)

To make any further progress beyond this point, Pembrokeshire County Council are required to conduct a statutory process including public consultation undertaken in the latter's capacity as the relevant Highway Authority. Before accepting this

Authority's formal instructions to undertake that statutory process Pembrokeshire County Council require a resolution from this Authority approving the (PEMBROKESHIRE COAST NATIONAL PARK) (OFF-STREET PARKING PLACES) ORDER 2015-VARIATION ORDER NO.1 (2017)
